TITLE	Solar Energy Directory: A Directory of Domestic and International Firms Involved in Solar Energy.
INSTITUTION	Centerline Co., Phoenix, Ariz.
PUB DATE	78
NOTE	212p.
AVAILABLE FROM	Centerline Company, Department 149, 401 South 36th Street, Phoenix, Arizona 85034 ($12.50)
EDRS PRICE	MF01/PC09 Plus Postage.
DESCRIPTORS	Agencies; *Conservation Education; *Energy; *Energy Conservation; Environmental Education; Fuel Consumption; Government Role; Manufacturing Industry; *Organizations (Groups); *Resource Materials; *Resources; Solar Radiation
IDENTIFIERS	*Solar Energy

ABSTRACT

This directory is intended to provide a link between suppliers of solar energy technology and information and potential users of these products. Included are over 1400 national and international entries. These listings include architects, associations, education sources, wind power technology and information sources, solar research organizations, marketing organizations, and numerous other related topics. SECTION 1 ARCHITECTS, CONSULTANTS, ENGINEERS

ALABAMA

Sun Century Systems, PO Box 2036
Florence, AL 35630
Architectural construction design of solar flat plate collector

ARIZONA

Aadland, Donald, 7345 E. Earll, Suite 25
Scottsdale, AZ 85251 (602) 946-5165
Engineer

Architectural Consotium, 4131 N. 48th Street
Phoenix, AZ 85018
Involved in architecture and design

Arizona Solar Enterprises, 6719 E. Holly Street
Scottsdale, AZ 85257 (602) 945-7477
Manufacturers of solar energy collectors, consultants on energy application

Beck and Associates, 1507 First Federal Savings Bldg.
Phoenix, AZ 85012 (602) 963-9771
Engineers

Benham-Blair-Ditzler & Elling, 4747 N. 22nd Street
Phoenix, AZ 85016 (602) 956-9850
Architecture, engineering, and consulting

Biddle and Young Consulting Engineers, Inc.
1824 W. Maricopa Freeway
Phoenix, AZ 85007 (602) 254-6048
Consulting, engineering

Blanton & Company, Incorporated, PO Box 1711
Tucson, AZ 85702 (602) 622-6733
Architects, engineers

Boyle Engineering Corporation, 3625 N. 16 St. #107
Phoenix, AZ 85016 (602) 263-9685
Engineering

Busby Associates, Ltd., 5717 N. 7th Street, Suite 102
Phoenix, AZ 85014 (602) 264-4341
Architecture, engineering, and planning

Consulting Engineers, Inc., 1528 E. Missouri Avenue
Phoenix, AZ 85014 (602) 277-7219
Engineering, consulting

Cook, Jeffrey, 3627 Camino Sin Nombre
Scottsdale, AZ 85253
Design and consulting for total home units

Dearing, George T., 5201 N. 7th Street, Suite 200-A
Phoenix, AZ 85014 (602) 264-3785
Consulting engineer

Engineering Professionals, Inc., 6040 N. 7 St., #206
Phoenix, AZ 85014 (602) 263-9333
Engineering

Engineers, Incorporated, 4216 N. Brown Avenue
Scottsdale, AZ 85251 (602) 946-3846
Engineering

Environmental Consultants, 516 W. Parkway Blvd.
Tempe, AZ 85281 (602) 967-7117
Consulting

Environmental Consultants, 151 S. Tucson Blvd.
Tucson, AZ 85716 (602) 795-3641
Consultants

Finical & Dombrowski Architects & Engineers
732 N. Stone Avenue
Tucson, AZ 85705 (602) 792-1220
Architecture and design

Gerald A. Doyle and Associates, 4331 N. 12 Street
Phoenix, AZ 85014 (602) 264-3082
Architecture and design

Goldblatt Cohen Aros, 40 N. Swan Road, Suite 206
Tucson, AZ 85711 (602) 327-5916
Architecture

Halacy, Dan, 5804 West Vista Avenue
Glendale, AZ 85301
Consultant and author on solar energy

Helio Associates, Incorporated, PO Box 17960
Tucson, AZ 85731 (602) 792-2800
Consulting and design services

Helio-Dyne, 1812 E. Marlette
Phoenix, AZ 85016 (602) 277-8392
Consulting on solar energy

Heilman & Lober Mechanical Engineers
6430 East Broadway
Tucson, AZ 85710
Mechanical engineering

Homan, W. R., 10202 Tropicana Circle
Sun City, AZ 85351 (602) 977-9412
Consulting engineer

i^2 Environmental Consultants, 516 W. Parkway Blvd.
Tempe, AZ 85281
Architects and education

International Scientific Industries, PO Box 537
Flagstaff, AZ 86001 (602) 774-8927
Architects, consultants, engineers, and manufacturers of a heating and cooling structure and a thermopile type radiation measuring instrument

Johannessen & Girand Consulting Engineers, Inc.
6611 N. Black Canyon Highway
Phoenix, AZ 85015 (602) 242-3420
Consulting, engineering

Keller Engineering Company, 5350 N. 16 Street
Phoenix, AZ 85016 (602) 277-7235
Engineering

Lakin Associates Architects, 424 W. Broadway # 4-7
Tempe, AZ 85281 (602) 967-2071
Architecture

Lowry, Sorensen, Willcoxson & Moody Engineers, Inc.
2535 W. Camelback Road
Phoenix, AZ 85017 (602) 249-1320
Architects, consultants, and mechanical engineers

Marco Soil and Foundation Engineers, 1435 S. Euclid
Tucson, AZ 85713 (602) 623-6208
Engineering

Moody Fredrickson, Incorporated, 8828 N. Central
Phoenix, AZ 85021 (602) 944-1526
Consulting engineers

McLoughlin Contractors & Engineers, Incorporated
744 E. 44 Street
Tucson, AZ 85714 (602) 3371
Tucson, AZ 85714 (602) 889-3371
Contracting and engineering

Newbeck Engineering Company, 712 W. Hatcher Road
Phoenix, AZ 85021 (602) 944-4681
Engineering

Pearson-Jeffries Eng ineering, 352 E. Virginia
Phoenix, AZ 85004 (602) 264-9345
Engineering

Shelter 1 Architects, 1650 W. Alameda Dr. # 115
Tempe, AZ 85282 (602) 966-2520
Architecture

Sullivan & Masson Consulting Engineers
222 West Osborn Road, Suite 101
Phoenix, AZ 85013
Consulting engineers

Swanson, E. K., 5615 S. Jolly Roger Road
Tempe, AZ 85283
Engineer

Timmerman Engineering Company, Inc.
2122 W. Indian School Road
Phoenix, AZ 85015 (602) 264-3070
Commercial and institutional engineering

CALIFORNIA

Acurex Corporation, 485 Clyde Avenue
Mountain View, CA 94042 (415) 964-3200
Engineers and manufacturers of concentrating solar collectors

Adams, F. E., 18154 Bancroft Road
Monte Sereno, CA 95030
Engineering

Aerospace Corporation, PO Box 95085
Los Angeles, CA 90045
Engineering

American Heliothermal Corporation
17711 Crenshaw Boulevard
Torrance, CA 90504
Engineering

10

Atomics International, PO Box 309
Canoga Park, CA 91304
Engineering

Ayres Associates, 1180 S. Beverly Drive, Suite 600
Los Angeles, CA 90035 (213) 553-5285
Highly specialized engineering services-design of solar augmented heating and cooling systems for buildings and energy conservation studies

Barr Engineering, Inc., 9601 S. Santa Fe Springs
Santa Fe Springs, CA 90670
Engineering

Bechtel Corporation, 50 Beale Street
San Francisco, CA 94105
Engineering and construction of several hundred fossil-fired and nuclear power-generating facilities

Berkeley Solar Group, 1815 Francisco Street
Berkeley, CA 94703 (415) 843-7600
General solar consulting and designers of flat plate collectors

Brokaw, Hal A., 2052 Galveston
San Diego, CA 92110
Engineering

Carter, Hugh, PO Box 5336
Garden Grove, CA 92038
Engineer

Chevron Research, 940 Hensley
Richmond, CA 94804
Engineering

Courtney-Severa Association, 1412 Sixth Street
Baywood Park, CA 94703
Architecture

Cutter Laboratory, 808 Parker
Berkeley, CA 94710
Engineering

Design CO-OP, 810 Haverford Avenue, Suite 3
Pacific Palisades, CA 90272 (213) 459-2583
Architects, engineers

Earth Life Systems Design, 1639 Seal Way
Seal Beach, CA 90740 (213) 431-0077
Architecture, design, and development of solar heating and total energy systems for buildings

Energy Management Consultants, Incorporated
6380 Wilshire Boulevard
Los Angeles, CA 90048 (213) 658-7088
Consultants who perform building system research and design, specializing in energy conservation

Energy Research Corporation, 6 East Valerio
Santa Barbara, CA 93101
Consultants

Engineered Aesthetics, 110 W. Washington Blvd.
Venice, CA 90291
Engineering

Environmental Future, Inc., 150 S. Los Robles # 880
Pasadena, CA 91101 (213) 449-8482
Design, engineering, and installation of solar heating and water heating systems

Feuer Corporation, 5401 McConnel Avenue
Los Angeles, CA 90066
Engineering

Frost, Theodore D., 665 Burma Road
Fallbrook, CA 92028
Consulting

General Atomic Company, PO Box 81608
San Diego, CA 92138
Engineers, developers of solar collectors employing cylindrical mirror

Genge Community Consultants, 10960 Wishire Blvd 1100
Los Angeles, CA 90024
Consultants

Goodkin, Ruderman, Valdivia
1901 Avenue of the Stars, Suite 1000 Century City
Los Angeles, CA 90067
Engineering

Helter-Skelter Engineering, Box 479
Forest Knolls, CA 94933
Engineering

Jacobs Engineering Company, 837 S. Fair Oaks Ave.
Pasadena, CA 91105
Engineering

Kaiser Engineers, 300 Lakeside Drive
Oakland, CA 94666
Engineering

Laffoon, C. M., PO Box 1892
El Cahon, CA 92022
Engineering

Liston & Associates, Mechanical Engineers
890 Saratoga Avenue
San Jose, CA 95129
Engineering

Lockerbie Manufacturing Corporation, 7812 Boulder Ave
Highland, CA 92346
Engineering

Lockheed Aircraft Corporation, 3251 Hanover Street
Palo Alto, CA 94304
Engineering

Mechanics Research, Inc., 9841 Airport Blvd.
Los Angeles, CA 90045
Consultation, engineering, research, and development of various aspects of energy conservation

Passive Solar-Variant Homes by Savell
575 Birch Court, Suite A
Colton, CA 92324 (714) 825-3394
Engineered a construction building system utilizing passive solar energy technology in which to build homes

Perlmuth, Jack J., Box 5337
Beverly Hills, CA 90210
Consultant in geothermal energy and solar heat and power

Sennergetics, 18621 Parthenia Street
Northridge, CA 91324 (213) 885-0323
Design Consulting services for solar water heating and space heating systems

Sierra Solar Systems, PO Box 310
Nevada City, CA 95959 (916) 272-3444
Consultation, sales, and installation services

Skidmore, Owings & Merrill, 1 Maritime Plaza
San Francisco, CA 94111
Solar powered structures

Sky-Therm Process & Engineering, 845 Wilshire Blvd.
Los Angeles, CA 92017
Process engineering

Solar Energy Systems, 11404 Sorrento Valley Rd 112
San Diego, CA 92121
Designers and builders of solar homes and equipment

Solar Harness Corporation, 407-A San Anselmo Ave.
San Anselmo, CA 94960 (415) 457-4565
Consultation, design, and manufacturers of solar heating systems

Solar II Enterprises, 21416 Bear Creek Road
Los Gatos, CA 95030 (408) 354-3353
Sells a flat plate collector and has engineering services

Solergy, Division of Collier-Zabaldo, 70 Zoe
San Francisco, CA 94107
Planning and design of heating and cooling solar system

Soltek Associates, 3398 Estero Drive
San Ramon, CA 94583 (415) 841-0263
Developing engineering organization devoted to the utilization of renewable energy resources for residential and commercial applications

Sunburst Solar Energy, Inc., 123 Independence Drive
Box 2799
Menlo Park, CA 94024 (415) 327-8022
Consulting services

Systems, Science, and Software, PO Box 1620
La Jolla, CA 92037
Consultation and engineering services related to geothermal energy

Tetra Tech, Incorporated, 630 N. Rosemead Blvd.
Pasadena, CA 91107
Consultation, engineering, research, and development of energy conservation

Todd Engineering Company, 1873 Sternlee Avenue
Long Beach, CA 90815
Engineering

COLORADO

ABR Partnership, 1825 Lawrence Street
Denver, CO 80202
Designing of solar heated office buildings

Bullock Engineering & Development Company
70 West Sixth Avenue
Denver, CO 80222 (303) 892-6416
Engineering firm along with other main solar interest such as all solar technology

Earth Dynamics, Incorporated, 628 Maxwell, Box 1175
Boulder, CO 80302 (303) 447-8168
Architect, engineer involved with contracting and manufacturing of solar powered, geodesic dome structures

Environmental Consulting Services, Incorporated
1929 Walnut Street
Boulder, CO 80302
Provides full solar-mechanical consulting services, and has a collector employing spherical mirror and movable radial collector proper

G L Salmon Associates, 1118 East 7th Street
Loveland, CO 80537
Scientific consulting on flatplate solar heating systems

John D. Anderson & Associates, Architects
1522 Blake Street
Denver, CO 80202 (303) 534-5566
Firm in solar design

Joint Venture, Incorporated, 1406 Pearl Street
Boulder, CO 80302 (303) 444-1752
Architects, environmentalists, visionaries

Solar Environmental Engineering Company, PO Box 1914
Fort Collins, CO 80521
Formed for the purpose of design of solar energy systems for residential and commercial types

Solar World, Incorporated, 4473 E. Peakview Circle
Littleton, CO 80121
Distributor services for solar focusing

Stearns-Rogers Architects, Limited, 700 South Ash
Denver, CO 80217
Solar powered structures

CONNECTICUT

Baron Consulting Company, Analytical Services
655 Plains Road
Milford, CT 06460 (203) 874-5678
Consultants

1 CT

Hill & Harrigan, 909 Whalley Avenue
New Haven, CT 06515 (203) 389-2191
Consulting engineers and developers of reflector for solar collectors

National Solar Corporation
Essex, CT 06426 (203) 767-1644
Manufacturers, engineers, producers of a flat plate liquid solar collector for industrial/commercial applications

Office of Carleton Granbery, 111 Old Quarry
Guilford, CT 06437 (203) 453-2449
Architect

Watson, Donald, Box 401
Guilford, CT 06437
Architect, consultant services, designing, and lectures

DELAWARE

Institute of Energy Conversion, University of Delaware
Newark, DE 19711
Designers of SOLAR ONE, a systemized house which converts sunlight into heat and electric power

DISTRICT OF COLUMBIA

Aquarius Consultants, PO Box 5595 NW
Washington, DC 20016
Architects and engineers

Loring-Meckler Associates, Inc., 1150 17 Street, NW
Washington, DC 20036 (202) 296-5131
Consulting engineers, architectural solar collectors

McCombs Solar Company, 1629 K Street, Suite 520
Washington, DC 20006 (202) 296-1540
Engaged in solar system products research and development, architectural and engineering design

National Intervenors, 153 E Street SE
Washington, DC 20003
Consultants on energy alternatives

FLORIDA

Energy Design Associates, Inc., 3003 N.E. 19th Drive
Gainesville, FL 32601 (904) 377-7883
Consultants in solar energy applications

Environmental Service Association, Incorporated
108 Graham Road
Fern Park, FL 32730
Consulatation, engineering, and education on energy conservation

Farber, Dr. Erich A., University of Florida
Gainesville, FL 32611
Consultant and engineer involved with solar powered house construction

Radar and Associates, Incorporated, PO Box 014541
Miami, FL 33101
Advanced architectural concept for environmental and conservation improvement

Solar Comfort, Incorporated, 249 S. Grove Street
Venice, FL 33595 (813) 485-9544
Combined experience in engineering, hydronics, plumbing and mechanical contracting

Sunseeker Systems, Incorporated, IBM Building
100 W. Kennedy Blvd. Suite 700
Tampa, FL 33602 (813) 223-1787
Builders, contractors, architects, engineers, and manufacturers of solar energy components

University of Florida, Solar Energy Conversion Lab.
Gainesville, FL 32611 (904) 392-0820
Consultants, teaching classes, research, seminars, and testing of solar properties of materials and collectors

GEORGIA

Heery & Heery, Architects, Engineers
Engineering Division 880 W. Peachtree Street NW
Atlanta, GA 30309 (404) 881-9880
Design team as engineers of a solar total energy system

Taylor and Collum, Incorporated, 7 Baltimore Place NW
Atlanta, GA 30308 (404) 881-1520
Architects for manufacturing buildings that will have electricity supplied by the sun

HAWAII

Ferris & Hamig, Incorporated, 1431 Beretania St. #200
Honolulu, HI 96814
Engineering

1 ID

IDAHO

Bradley Engineering
Idaho Falls, ID 83401
Engineering

Engineered Systems Associates, 224 S. Arthur Street
Pocatello, ID 83201 (208) 233-0501
Deals with engineering systems

Hamilton & Boeller, Incorporated, 428 South Main St.
Pocatello, ID 83201 (208) 232-4631
Consulting engineers

Systems Engineering, Incorporated, PO Box 1281
Boise, ID 83702 (208) 345-4051
Engineering

ILLINOIS

Amcon Solar, 211 West Willow
Carbondale, IL 62901
Solar energy consulting

Argonne National Laboratories
Argonne, IL 60439
Consultation, engineering, research, and development of energy storage, fuel conservation and solar heat and power

Enercon, Limited, 1603 Orrington Street, Suite 1390
Evanston, IL 60201
Energy consultants specializing in the area of supplementary solar heating and cooling systems for buildings

Hawkweed Group, Limited, 4643 N. Clark Street
Chicago, IL 60640 (312) 784-5025
Architects, planners, seminars, building design

Institute of Environmental Sciences
940 East Northwest Highway
Mt. Prospect, IL 60056 (312) 255-1561
Professional society of engineers, scientists, and educators involved with research and the sponsorship of seminars

Keough Engineering, 4741 North Paulina Avenue
Chicago, IL 60640
Engineering

Long, Edward J., First Illinois Trust Building
Springfield, IL 62701
Consulting engineers

Sheaffer & Rolad Company, Inc., 20 N. Wacker Drive
Chicago, IL 60606 (312) 236-9108
Consulting service in solar energy

INDIANA

Energy Conservation Enterprise , Rr 4 29640 Co Rd. #20
Elkhart, IN 46514 (219) 293-2450
Engineering, manufacturing and installation of solar panels with water as media

Gordon Clark Associates, Inc., 6523 Carrollton Ave.
Indianapolis, IN 46220 (317) 259-7711
Architecture, research, and designing on solar projects

Perf Cold, Incorporated, 50942 U.S. 31 North
South Bend, IN 46537
Contracting engineers for the food industry, and solar energy contracting

Solar Energetics, Incorporated, PO Box 532
Jasper, IN 47546 (812) 482-1416
Consulting, design, and installation of solar energy systems

KANSAS

Professional Engineering Consultants, 1440 E. English
Wichita, KS 67211 (316) 262-2691
Engineering consultants interested in solar space heating and cooling for buildings

Solar Energies Corporation, PO Box 1383
Wichita, KS 67201 (316) 682-5713
Design services of professional engineering, research and development in solar systems

LOUISIANA

Haas + Massey/Architects and Planners, 1400 Line Ave.
Shreveport, LA 71101 (318) 425-2474
Architects and planners

MARYLAND

Benz, 7105 Panorama Drive
Rockville, MD 20855 (301) 948-8920
Consulting services to architects, photovoltaic systems, wind energy, research, and development

19

1 MD

International Compendium, 10762 Tucker Street
Beltsville, MD 20705 (301) 937-0040
Consulting service

Solargy, Incorporated, 1486 Friendly Drive
Pasadena, MD 21122 (301) 947-0779
Engineering services

MASSACHUSETTS

Architects Collaborative, Inc., 46 Brattle Street
Cambridge, MA 02138 (617) 868-4200
Architects with solar interests dealing with high temperature solar collector systems

Arthur D. Little, Incorporated, 20 Acorn Park
Cambridge, MA 02140 (617) 864-5770
Solar energy consulting service, manufacturer of solar collectors, inventor of satellite-solar-energy scheme, and editor of "Solar Energy"

Cambridge Seven Associates, Incorporated
1050 Massachusetts Avenue
Cambridge, MA 02138
Consultants in the field of solar energy

Culin, Nembhard N., R.F.D.
Vineyard Haven, MA 02568 (617) 693-1226
Architect, designer of solar heat for residences

Donald F. Monell & Associates, Architects
11 Pleasant Street
Gloucester, MA 01930 (617) 283-1484
Consultants, designers of natural power assisted homes and small industrial plants

Environmental Consultants Division, 196 Bear Hill Rd.
Waltham, MA 02154 (617) 890-3710
Performs site investigations for alternate energy installations

GK Associates, 157 Stanton Ayenue
Auburndale, MA 02166
Consulting and contracting firm

MIT Architecture, 3-407, 77 Massachusetts Avenue
Cambridge, MA 02139
Space heating and cooling and solar research

New Alchemy Institute, Box 432
Woods Hole, MA 02543
Engineering, publication of newsletters, bulletins, research and development of various aspects of energy conservation

People/Space Company, 259 Marlborough Street
Boston, MA 02116 (617) 261-2064
Architects, designers, and manufacturers of collectors

Perry, Dean, Stewart Architects, 955 Park Square Bldg.
Boston, MA 02116 (617) 482-9160
Architects

Robert O. Smith & Associates, 55 Chester Street
Newton, MA 02161 (617) 965-5428
Professional Engineers

Sunsav, Incorporated, 9 Mell Street
Lawrence, MA 01840 (617) 686-8040
Design and consulting services

Tucker & Rice, Incorporated, PO Box 336
Worcester, MA 01613 (617) 755-1214
Consulting engineers and mechanical contractors

MICHIGAN

Bendix Corporation, Bendix Center
Southfield, MI 48076
Engineering, manufacturing, marketing, research, and development of various aspects of environmental conservation and evaluation of solar heating systems

Hiffels Associates, Incorporated, 243 W. Congress
Detroit, MI 48226
Architects and engineers

MINNESOTA

Mayer Electric Company, 2817 Hennepin Avenue
Minneapolis, MN 55408
Construction, consultation, engineering, manufacturing, research, and development of various aspects of energy conservation

Schjeldahl Company, G.T., N. Highway #3
Northfield, MN 55057
Solar conversion plant

Conferences and Institutes, 116 Illini Hall
Champaign, IL 61820
A program featuring thermal, mechanical, and electrical energy

Hawkweed Group, Ltd. see section 1

Institute of Environmental Sciences see section 1

University of Illinois, 116 Illini Hall
Champaign, IL 61820
Sponsors conferences on fuels from biomass symposium

KENTUCKY

University of Kentucky
Lexington, KY 40506
Seminar sponsor

MARYLAND

Information Transfer, Incorporated, 1160 Rockville Pike
Rockville, MD 20852
Holds a national conference and exhibition on technology for energy conservation

Smithsonian Radiation, 12444 Parklawn Drive
Rockville, MD 20852
Foundation involved with education and publication of energy conservation

University of Maryland, Dept. of Mechanical Engineering
College Park, MD 20740
Education, engineering, publication, and research and development of solar heat and power

MASSACHUSETTS

Clark University
Worcester, MA 01613
Seminar sponsor

Massachusetts Institute of Technology
77 Massachusetts Avenue
Cambridge, MA 02139 (617) 253-3403
Component research, education, seminars, research development and wind alternative

NESEA Conference, 200 Hills North
Amherst, MA 01002
Conference and exhibition on decision making in solar technology

University of Massachusetts, Physics Department
Amherst, MA 01002
Research and development of solar collector systems and solar space heating, sponsors workshops on alternative energy

MICHIGAN

General Motors Corporation, 3044 West Grand Blvd.
Detroit, MI 48202
Solar demonstration using solar cells

University of Michigan, 400 Chysler Center, North Campus
Ann Arbor, MI 48105
Sponsors summer conferences

MINNESOTA

Honeywell, Incorporated, Energy Resources Center
2600 Ridgeway Parkway
Minneapolis, MN 55413 (612) 378-4077
Solar heating and cooling workshop and laboratory, manufacturer of collectors

MISSOURI

University of Missouri
Kansas City, MO 64201
Studies concerning the impacts of solar energy application on society

NEW HAMPSHIRE

Total Environmental Action, Box 47 Church Hill
Harrisville, NH 03450
Seninar sponsor

NEW JERSEY

Somerset County Park Commission, PO Box 837
Somerville, NJ 08876
Environmental and educational center solar heating and cooling project

NEW MEXICO

Los Alamos Scientific Laboratory, Solar Energy Group
Mail stop 571
Los Alamos, NM 87545
Research on integrated solar collector roof structure for the heating and cooling of buildings, also has conferences and workshops on passive solar heating and cooling

Sandia Laboratories, Incorporated
Albuquerque, NM 87115
Education, research, and development of improved solar cells

University of New Mexico, Technology Application Center
PO Box 185
Albuquerque, NM 87131
Education, newsletter, research development, and testing

NEW YORK

ASME, 345 E. 47th Street
New York, NY 10017 (212) 644-7743
Sponsors a short course program at the Joint Power Generation Conference

Cornell University, 202 Riley-Robb Hall
Ithaca, NY 14850
Seminar sponsor

Educational Materials And Equipment Company
46 Lafayette Avenue
New Rochelle, NY 10801 (914) 576-1121
School science demonstrations

Educational Materials And Equipment Company, Box 17
Pelham, NY 10803
High quality equipment and audio visual aids for entire educational spectrum of solar energy

Energy Bureau, Incorporated, see section 3

Energy Information Service, Incorporated
229 7th Avenue
New York, NY 10011 (212) 255-5355
Provides non-technical information on the entire spectrum of alternative energy sources

H A Bruno & Associates, Inc. see section 2

National Building Show, Charles Snitow Organization
331 Madison Avenue
New York, NY 10017
Seminar sponsor

New York Management Conference Center, 360 Lexington Ave
New York, NY 10017
Seminar that focuses on techniques to minimize energy costs

New York University, 360 Lexington Avenue
New York, NY 10017
Offers seminars on energy relationships in residential and commercial, institutional and industrial buildings

SCENYU, New York Conference, 360 Lexington Avenue
New York, NY 10017
Seminar on energy conservation in industrial plants

NORTH CAROLINA

Kanuga Conference Center, PO Box 2166
Hendersonville, NC 28739
Seminar sponsor

OHIO

Youngstown State University, Dept. of Electrical Engineering, 410 Wick Avenue
Youngstown, OH 44503
Full-time solar energy option at both the undergraduate and master's level

OKLAHOMA

University of Oklahoma, 865 ASP, Room 200
Norman, OK 73069
Education, engineering, publication, research, and development of battery-powered vehicles and wind-powered systems

OREGON

Delphian Foundation, Route 2 Box 195
Sheridan, OR 97378 (503) 843-3521
Education, exhibits, seminars, research, and development

OMSI, 4015 SW Canyon Road
Portland, OR 97221
Sponsors conferences dealing with solar water and space heating in the pacific northwest region

Oregon Museum of Science & Industry's Energy Center
4015 SW Canyon Road
Portland, OR 97221
Classes, workshops, conferences on various energy topics

Oregon State University
Convallis, OR 97330
Research and seminars concerning solar energy

University of Oregon, Solar Energy Center
Eugene, OR 97405
Research and information center for the northwest

PENNSYLVANIA

AASRC, 8794 West Chester Pike
Upper Darby, PA 19082 (215) 449-2333
Conference dealing with the small research and development companies in energy programs

American Association of Small Research Companies
8794 West Chester Pike
Upper Darby, PA 19082 (215) 449-2333
Research, conferences, and workshops concerning solar energy

International Federation of Automatic Control
400 Stanwix Street
Pittsburg, PA 15222
Seminar sponsor

Pennsylvania State University
320 Mineral Industries Building
University Park, PA 16802 (814) 865-6512
Education, research with solar-thermal

TENNESSEE

Tennessee Society of Architects
1808 West End Avenue, Suite 401
Nashville, TN 37203
Sponsor of solar seminars

TEXAS

Busse, A R & Associates, Incorporated
133 West Loop South, Suite 1230
Houston, TX 77027
Houston Home Show, exhibits of solar energy applications

Solar Research, Incorporated, 5011 Duval Street
Austin, TX 78751 (512) 453-7746
A solar energy seminar for contractors

Texas Tech University, PO Box 4609
Lubbock, TX 79049
Offers a mechanical engineering course dealing with solar energy

Trinity University, Continuing Education
715 Stadium Drive
San Antonio, TX 78284 (512) 736-7601
Sponsors seminars on solar energy

4 TX

University of Texas at Arlington
Construction Research Center
Arlington, TX 76019
Education, research and development, sponsors seminars

VERMONT

New England Solar Energy Association, PO Box 21
Townsend, VT 05353 (802) 365-4084
Publishers of solar energy newsletters, also arranges special meetings and exhibitions

VIRGINIA

American Society of Landscape Architects
1750 Old Meadow Road
McLean, VA 22101
Annual meeting and trade exhibit of the American Society of Landscape Architects

NASA Tech Brief, Marshall Space Flight Center
National Technical Information Service
Springfield, VA 22151
Education, research, and development

NESCA, 1501 Wilson Blvd.
Arlington, VA 22209 (703) 527-0678
Sponsors two day seminar on how to size, design, bid, install, and make a profit on solar systems

WASHINGTON

Office of Community Development
General Administration Building
Olympia, WA 98504
Sponsors workshops on solar energy and on solar greenhouses and water-heating collectors

Society of Photo-Optical see section 2

State of Washington Energy Office, 1000 S. Cherry
Olympia, WA 98504 (206) 753-7417
Distributes public information on solar energy and sponsors workshops on the construction of solar collectors

WISCONSIN

University of Wisconsin-Extension, Dept. of Engineering
432 North Lake Street
Madison, WI 53706
Workshop on energy management for manufacturing plants

SECTION 5

********** GOVERNMENT AGENCIES **********

ALABAMA

Alabama Energy Advisory Council, PO Box 1297
Birmingham, AL 35201
Studies concerning environmental quality requirements, state energy needs, and the most effective use of the state's energy resources

Alabama Energy Management Board, 312 Montgomery Street
Executive Building, Suite 203
Montgomery, AL 36104
Advisors to the Governor on energy matters and equal distribution of energy supplies within the state

ALASKA

State of Alaska Energy Office, 338 Denali Street
Anchorage, AK 99501 (907) 272-0527
In charge of providing adequate fuel supplies for the citizens of Alaska and the 49 other states at the lowest possible economic, social, and environmental cost

ARIZONA

Arizona Solar Energy Research Comm. see section 2

ARKANSAS

State of Arkansas Energy Office
325 National Old Line Building
Little Rock, AR 72201 (501) 371-1379
Responsible for developing a State energy policy insurance wise and careful use of all energy within the State

5 CA

CALIFORNIA

California Energy Resources Conservation and Development Commission, 1111 Howe Avenue #527B
Sacramento, CA 95825
Responsible for energy resources conservation, research, and development, publishers of a periodical called "How to Conquer the Energy Peak"

COLORADO

Colorado Energy Research Institute, PO Box 366
Golden, CO 80401 (303) 279-2881
Responsible for stimulating and coordinated research in-state in areas of energy and energy-related minerals

Colorado Governor's Energy Policy Council
Office of the Governor, State Capitol
Denver, CO 80207 (303) 892-2471
Advisors to the Governor on matters related to the development of energy policy

International Solarthermics Corporation, PO Box 397
Nederland, CO 80466
Licenses the manufacture of a combination collection-storage device with A-shaped cross section

U. S. Government Environmental Research Lab
Boulder, CO 80302
Research on solar heating

U. S. Government General Service Administration
Building #41
Denver, CO 80225
Federal Government planning offices for the design and construction of federal buildings

U. S. Government National Oceanic and Atmospheric Adm.
Boulder, CO 80302
Government agency involved with research and development of ocean power and solar power

CONNECTICUT

Connecticut Department of Planning and Energy Policy
20 Grand Street
Hartford, CT 06115 (203) 566-2800
Responsible for formulating State energy policy and conservation efforts

DELAWARE

Delaware Division of Emergency Planning & Operations
Dept. of Public Safety, PO Box C
Delaware City, DE 19706 (302) 834-4531
Responsible for managing the State set-aside program and preparing requests by petroleum users for base period operations

DISTRICT OF COLUMBIA

Commission on Natural Resources
2101 Constitution Avenue NW
Washington, DC 20418
Involved with research concerning the solar heating and cooling of buildings

Federal Energy Adminstration
National Energy Information Center
Washington, DC 20461
Information concerning solar energy projects of the Federal Government

International Advisory Services, Incorporated
1767 P Street NW
Washington, DC 20036 (202) 234-5445
Marketing of solar energy capabilities to government agencies and arranging sub-contracting on government contracts

U. S. Government Committee on Energy
1600 Pennsylvania Avenue NW
Washington, DC 20500
Government agency which develops policies covering conservation and increase in energy supplies

U. S. Government Department of Defense
Pentagon-Directorate for Defense Information
Washington, DC 20301
Government agency involved with solar heat, solar and wind power

U. S. Government Department of Energy
Division of Solar Technology
Washington, DC 20545
Government agency on energy

U. S. Government Department of Housing & Urban Dev.
Washington, DC 20410 (202) 755-5284
Demonstrates solar heating and cooling in residences, solar test projects

5 DC

U. S. Government Department of the Interior
C Street between 18 and 19 Streets NW
Washington, DC 20240
Government agency involved with geothermal energy and conservation of energy

U. S. Government Department of State, 2201 C Street NW
Washington, DC 20520
Government agency involved with solar heat and power

U. S. Government General Accounting Office
441 G Street NW
Washington, DC 20548
Government agency involved with investigations, studies, research, and reports concerning energy conservation

U. S. Government House Science & Astronautics Committee
House of Representatives
Washington, DC 20515
Sub-committee on energy, solar energy research and geothermal energy research

U. S. Government National Aeronautical and Space Administration, 400 Maryland Avenue SW
Washington, DC 20515
Government agency involved with solar power research

U. S. Government National Bureau of Standards
Office of Energy-Related Inventions (OERI)
Washington, DC 20234
Evaluation of all promising energy and related inventions

U. S. Government National Science Foundation
1800 G Street NW
Washington, DC 20550
Government agency involved with publication, research and development of solar heat, and wind power

U. S. Government Navy Department
Pentagon
Washington, DC 20360
Government agency responsible for all aspects of research, use and developmentof energy sources in the Navy

U. S. Government Senate Armed Services Committee
Senate
Washington, DC 20510
Legislature committee involved with naval petroleum and oil shale reserves

U. S. Government Senate Astronautical and Space Sciences Committee, Senate
Washington, DC 20510
Energy research and development

U. S. Government Senate Interior and Insular Affairs Committee, Senate
Washington, DC 20510
Alaska pipelines, energy research programs, and energy conservation

FLORIDA

Florida Governor's Petroleum Allocation and Energy Conservation Council, 108 Collins Building
Tallahassee, FL 32304 (904) 488-6764
Advisors and assistants to the State Allocation Official in implementing the mandatory allocation program and minimizing the adverse effects of fuel shortages

Lincoln, NE 68509 (402) 471-2867
Responsible for the allocation of fuel from the State set-aside program, informing the public about energy problems, and promoting conservation

NEVADA

Environmental Protection Agency, National Environmental Research Center, PO Box 15027
Las Vegas, NV 89114 (702) 736-2969
Government agency

Nevada State Energy Resources Advisory Board
302 East Carson, Suite 800
Las Vegas, NV 89101 (702) 385-2188
Advisory committee to the Governor on energy policy and responsible for allocation and conservation programs

NEW HAMPSHIRE

State of New Hampshire Governor's Council on Energy
3 Capitol Street Room 302
Concord, NH 03301
Involved with overcoming the energy crises in the state of New Hampshire

NEW JERSEY

New Jersey Cabinet Energy Committee, Office of the Governor, State House
Trenton, NJ 08625 (609) 292-2121
Responsible for advising the Governor relative to the development and implementation of energy policy for the State

5 NJ

New Jersey Energy Crises Study Commission
90 State House
Trenton, NJ 08625 (609) 292-7734
An investigatory commission composed of private citizens, cabinet officers, and legislators

State of New Jersey Energy Office, 101 Commerce Street
Newark, NJ 07102 (201) 648-3290
Responsible for identifying and analyzing energy problems and recommending policy action

NEW MEXICO

New Mexico Energy Resources Board, PO Box 2770
Santa Fe, NM 87501 (505) 827-2146
Responsible for administering a statewide plan for energy resources, including research and development, energy conservation, fuel allocation, grants, administration and energy management

NEW YORK

New York State Energy Research & Development Authority
230 Park Avenue
New York, NY 10017 (212) 689-5070
Responsible for research in electric power supply and related environmental and social problems

State of New York Emergency Fuel Office
Tower Building, 20th Floor
Albany, NY 12223 (518) 474-7928
Responsible for implementing the Federal allocation programs

United Nations Economic and Social Council
United Nations Plaza
New York, NY 10017
Government agency involved with technical assistance in development of alternate sources of energy

NORTH CAROLINA

North Carolina Energy Policy Council, 215 E. Lane Street
Raleigh, NC 27611 (919) 829-2230
Responsible for recommending energy programs to the Governor and the General Assembly

State of North Carolina Energy Division
215 East Lane Street
Raleigh, NC 27611 (919) 829-2230
Central point in State's government responsible for the operational and planning aspects of energy management

58

U. S. Government Department of Commerce
National Climatic Center, Federal Building
Asheville, NC 28801
Government agency involved with wind and solar radiation data

NORTH DAKOTA

State of North Dakota Office of Energy Management
PO Box 1817
Bismarck, ND 58501 (701) 224-3301
Responsible for the administration of the Federal allocation program in the State

OHIO

Ohio Energy Advisory Council, 30 East Broad Street
Columbus, OH 43215 (614) 466-6797
Responsible for advising the Energy Emergency Commission on all energy matters

Ohio Energy Emergency Commission, 30 E. Broad Street
Columbus, OH 43215 (614) 466-6797
Responsible for dealing with current energy emergency problems by providing for conservation, efficient utilization, production, and allocation of energy

OKLAHOMA

State of Oklahoma Department of Energy
440 North Lincoln Boulevard, Suite 251
Oklahoma City, OK 73105 (405) 521-3941
Responsible for allocating fuels, interpreting Federal energy guidelines, and implementing rules and regulations necessary to coordinate the State's energy efforts

Harrisburg, PA 17101 (717) 787-9749
Responsible for responding to the State's energy problems

RHODE ISLAND

State of Rhode Island Energy Office, State House
Providence, RI 02903 (401) 421-7333
Responsible for managing the State set-aside program and initiating programs related to energy conservation and resource management

SOUTH CAROLINA

State of South Carolina Energy Management Office
1429 Senate Street
Columbia, SC 29201 (803) 758-2050
Responsible for administering the mandatory petroleum allocation program in the State

SOUTH DAKOTA

State of South Dakota Office of Energy Policy
State Capitol
Pierre, SD 57501 (605) 224-3603
Responsible for the State set-aside program and promoting energy conservation within the State

TENNESSEE

State of Tennessee Energy Office
250 Capitol Hill Building
Nashville, TN 37219 (615) 741-2994
Advisors to the Governor and Legislature on the energy situation and developers of measures to minimize the State energy problems

U. S. Government Energy Research & Development Adm.
Technical Information Center, PO Box 62
Oak Ridge, TN 37830
Agency involved with solar energy

TEXAS

Texas Governor's Energy Advisory Council
411 West 13 Street
Responsible for formulating a state energy policy

UTAH

Utah Interdepartmental Coordinating Council for Energy Affairs, 438 State Capitol
Salt Lake City, UT 84114 (801) 533-5356
Responsible for reviewing policies of the various departments in the State affecting the production, distribution, and comsumption of energy

VERMONT

State of Vermont Energy Office
110 State Street State Office Building
Montpelier, VT 05602 (802) 828-2768
Responsible for creating an energy program concerning conservation of present resources, research and development of alternate energy sources, and planning for the most efficient use of present and future energy resources

VIRGINIA

State of Virginia Energy Office, 823 E. Main Street
Richmond, VA 23219 (804) 770-8451
Administrators of the State set-aside program

WASHINGTON

State of Washington Energy Office see section 4

Washington Department of Emergency Services

SECTION 6A MANUFACTURING COMPONENTS, COLLECTORS, WHOLE SYSTEMS

****

ALABAMA

Universal Oil Products Company, Wolverine Tube Division

ALABAMA

Universal Oil Products Company, Wolverine Tube Division
PO Box 2202
Decatur, AL 35601 (205) 353-1310
Manufacturer of solar collector components

ARIZONA

Adobe Air Conditioning, 429 Miller Valley Road
Prescott, AZ 86301 (602) 445-0022
Collectors and system designers of Sunsource Flat-Plate

Alkins, Incorporated, 7726 North 11th Avenue
Phoenix, AZ 85021 (602) 943-0068
Collectors and designers of Solarcore Absorber Panels

Arizona Solar Enterprises — see section I

Arizona Solar Hydro, Incorporated, PO Box 9418
Phoenix, AZ 85068 (602) 948-4760
Designer and Collector of Piper Hydro and Solar Hydro Systems and Components

Arizona Statewide Distributors
6824 North 35th Avenue, Suite G
Phoenix, AZ 85017 (602) 247-4288
Involved in concentrating-type collection and system design

Bell Engineering, Division of Beldevco, Incorporated
1802 West Grant Road, Suite 114
Tucson, AZ 85075
Custom solar water heaters for homes and swimming pools

Bob Lee Plumbing & Heating, 2415 N. Fourth Street
Flagstaff, AZ 86001 (602) 774-8231
System designers of Piper Hydro and Solar Hydro systems and components

Cementitious Products, 3136 North 28 Avenue
Phoenix, AZ 85017 (602) 254-5434
Involved in Solarator Pool Heating System

Delta Arizona Corporation, 4106 E. San Miguel Avenue
Phoenix, AZ 85018 (602) 959-4161
Manufacturer of High Effeciency Solar Absorber

Delta T Company, 2522 West Holly
Phoenix, AZ 85009 (602) 272-6551
Manufacturer of finned tube high efficiency solar absorbers for use in solar collectors

Diversified Natural Resources, 8025 East Roosevelt
Scottsdale, AZ 85257 (602) 945-2330
Involved in concentrated type collectors

Goettl Air Conditioning, Incorporated, PO Box 10417
Phoenix, AZ 85064 (602) 273-1469
Manufactures a single source solar system for use in the home

Hansberger Refrigeration & Electric Company
2450 8th Street
Yuma, AZ 85364 (602) 783-3331
Involved in Flat-Plate Collection and System Design

Helio Associates, Incorporated, 8230 E. Broadway
Tucson, AZ 85710
Manufacturer of rigid frame, medium temperature collector

International Scientific see section 1

J & B Sales Company, 3441 North 29th Avenue
Phoenix, AZ 85017 (602) 258-1545
Sunsource Flat-Plate Collectors and System Designers

J & J Solar, Incorporated, 1500 Townhouse Tower
Phoenix, AZ 85013 (602) 956-9536
Manufactures collectors called Solar Shingles designed as a bermuda roof for easy installation, higher efficiency, and less cost

Jetel Company, 2811 North 24 Street
Phoenix, AZ 85008 (602) 956-6109
Designing and manufacturing solar heaters for swimming pools and homes

Landmark Pools, Incorporated
4124 East Indian School Road
Phoenix, AZ (602) 957-2990
Solar pool heaters

Mel Kiser & Associates, 6701 East Kenyon Drive
Tucson, AZ 85710 (602) 296-6552
Involved in flat-plate, parabolic, modified parabolic and vicous liquid filled collection with copper and aluminum absorbers

Mesa Heating And Cooling see section 3

Research Engineering Manufacturing Company
5285 North Red Rock Drive
Phoenix, AZ 85018 (602) 959-0761
Manufacturer of solar augmented heating and cooling system

Robinson Pool Service, 3501 West Lupine
Phoenix, AZ 85029 (602) 274-7437
Involved in FAFCO Pool heating systems

Ross Communications of Arizona, PO Box 17913
Tucson, AZ 85731 (602) 885-5368
Involved in Spectrolab Photovoltaic Cells

Solahart, 2333 East University
Phoenix, AZ 85034 (602) 275-4425
Manufacturer of solar hot water system

Solar Energy Applications, Incorporated
1102 East Washington
Phoenix, AZ 85034
Solar flat plate collectors for heating pools

Solar Energy Products, Incorporated
7333 East Monterey Way, Suite 13
Scottsdale, AZ 85251 (602) 949-7400
System Designers and Energex Flat-Plate Collectors

Solar Heater, Incorporated, 3447 West Cholla Street
Phoenix, AZ 85029
Modular flat plate solar collectors, pool cover for collecting solar energy and transmitting to pool

Solar Tech, 2430 West Townley
Phoenix, AZ 85021 (602) 944-1490
System designers and Solar Tech hypalon flat-plate type collectors

Solar Tech, Box J
Thatcher, AZ 85552 (602) 428-5368
System designers and Solar Tech hypalon flat-plate type collectors

Solar Therm, Incorporated
14425 North Scottsdale Road, Suite 700
Scottsdale, AZ 85254 (602) 991-2820
Involved in FAFCO Pool Heating Systems

Solenerge Company, 5549 East Clinton
Scottsdale, AZ 85254 (602) 253-9792
Manufacturers of FAFCO Pool Heating Systems

Sunpower Systems Corporation see section 3

Suncor Systems Company, 610 W. Broadway, Suite 101
Tempe, AZ 85282 (602) 966-3995
Involved in system design and flat-plate collection

Universal Air Products, Incorporated
2430 South 20th Street
Phoenix, AZ 85034 (602) 254-7361
System designers and Northrup concentrating solar collectors

ARKANSAS

Arkla Industries, Incorporated, Box 751
Little Rock, AR 72203 (501) 372-6241
Collectors and systems for air conditioning including absorption chillers

CALIFORNIA

Acorn Glass-Tint International Corporation
1123 West Century Blvd.
Los Angeles, CA 90044 (213) 756-1471
Manufacturer of sixteen plastic coatings that are applied to glass to reduce heating and cooling costs

Acurex Corporation see section 1

American Sun Industries, 3477 Old Conejo Road
PO Box 263
Newbury Park, CA 91320 (805) 498-9700
Manufacturer and supplier of solar energy conversion equipment

Atlas Corporation see section 4

Basic Designs, Incorporated, 3000 Bridge Way
Sausalito, CA 94965
Swimming pool and portable systems manufacturer

Berkeley Solar Group see section 1

Better Builders Association, PO Box 93
Bonsall, CA 92003 (714) 726-1233
Manufacturer of convex, parabolic concentrator which provides a very efficient domestic hot water system when united with a fan coiling system

Bohannon Industrial Park, 138 Jefferson Drive
Henlo Park, CA 94025
Producers of the FAFCO collector

Burke Rubber Company, 2250 South 10 Street
San Jose, CA 95112
Swimming pool and portable systems manufacturer

Centralab, 4501 North Arden Drive
El Monte, CA 91734
Photosensitive materials and devices, photo-voltaic detector, one watt solar panels, irradiance detectors, and silicon solar cells

Chapman Engines International, 6660 Reseda Blvd.
Reseda, CA 91335 (213) 344-5445
Manufacturers of the Chapman Horizontal Wind Turbine System on a Custom basis, also sells solar energy systems

Dalton Tank & Supply, Incorporated, 56166 Handley Road
Yucca Valley, CA 92284
Manufacturers of fiberglass solar hot water storage tanks

Daniel Enterprises, Incorporated, PO Box 2370
La Habra, CA 90631
Design of complete systems for primary or supplementary heating and drying systems

Division of Pefeiffer Electric Company, Inc.
82 South Third Street
San Jose, CA 95113 (408) 295-2528
Produces a domestic water heating system-Air collector which has an aluminum surface

Ecotechnology, Incorporated, 234 Barbara Avenue
Solana Beach, CA 92075
Manufacturer of a fiberglass case and cover for solar water heaters

El Camino Solar Systems, 5511-C Ekwill Street
Santa Barbara, CA 93111 (805) 96-SOLAR
Manufacturer of domestic solar hot water heating systems

Elcam, Incorporated, 5330 Debbie Lane
Santa Barbara, CA 93111 (805) 964-8676
Produces a domestic solar water heating system

Energy Systems Consultants, 6701 Odessa
Van Nuys, CA 91406
Manufacturer of air collectors

Energy Systems, Incorporated, 634 Crest Drive
El Cajon, CA 92021 (714) 440-4646
Manufactures an energy system collector which features a spring loaded aluminum fin, producers of solar heating systems

Environmental Future see section 1

FAFCO, Incorporated, 138 Jefferson Drive
Menlo Park, CA 94025 (415) 321-6311
Manufacturer of solar collector panels for heating pools, solar water heaters, and heat exchangers

Fafco Solar, 235 Constitution Avenue
Menlo Park, CA 94025
Manufactures the Fafco Solar Heating System for pools featuring the Fafco tubular design collector panels

Ferro Corporation, 5309 South District Blvd.
Los Angeles, CA 90040
Solar collector coatings

Filon Division, Vistron Corporation
12333 South Van Ness Avenue
Hawthorne, CA 90250 (213) 757-5141
Manufacturing components

General Atomic Company see section 1

Glasteel, Incorporated, 1727 Buena Vista, PO Box 217
Duarte, CA 91010
Sells Tedlar-covered, polyester-reinforced, fiberglass sheets

Grundfos Pumps Corporation, 2555 Clovis Avenue
Clovis, CA 93612 (209) 299-9741
Manufacturer of circulation pumps for hot and chilled water in solar energy systems

Heggen, Philip M. see section 3

Helio-Dynamics, Incorporated, 518 S. Van Ness Avenue
Los Angeles, CA 90020
Manufacturer of rigid frame, medium temperature collector

Heliotec, Incorporated, 500 Tamal Vista Plaza, 506
Corte Madera, CA 94925
Manufacturer of solar membrane which is a transparent insulating material with maximum solar transmission

Heliotrope General, 3733 Kenora Drive
Spring Valley, CA 92077 (714) 460-3930
Produces differential temperature thermostats, storage tanks, swimming pool heating controllers, and home heat and cool controllers

Heliotrope General, 1869 Hidden Mesa Road
El Cajon, CA 92020 (714) 444-6174
Sells Differential Temperature Thermostat, Hot Water Storage with built-in Heat Exchanger, and an Electric Hot Water Heater with built-in Heat Exchanger for solar water systems

Hexcel Corporation, 11711 Dublin Blvd.
Dublin, CA 94566 (415) 828-4200
Manufactures collectors and sells honeycombs, such as may be used in collectors

Hot Water, 350 East Mountain Drive
Santa Barbara, CA 93111
Involved in solar collection

International Rectifier, Semiconductor Division
233 Kansas Street
El Segugundo, CA 90245
Solar cells and batteries

J G Johnston Manufacturing Company, Solar Division
33458 Angeles Forest Highway
Palmdale, CA 934

Palmdale, CA 93550 (805) 947-3791
Manufacturer of subsystem consisting of collector panels. Its principal use is for industrial drying and heating purposes.

Kedco, Incorporated, 9016 Aviation Blvd.
Inglewood, CA 90301 (213) 776-6636
Manufacturing components, wind alternatives

Kessel Insolar System, 2135 Mono Way
Sonora, CA 95370 (209) 532-2996
Manufacturer of a properly orientated building enclosed metal water storage tank which receives and stores solar heat directly through operatable roof openings and sidewall glass panels

Lockheed Palo Alto Research Laboratory
3251 Hanover Street
Palo Alto, CA 94303
Developers of improved collector design with heat pump combination

Natural Energy Systems, Incorporated, 1632 Pioneer Way
El Cajon, CA 92020
Deals with natural energy systems

Natural Heating Systems, 205 Cortez Avenue
Davis, CA 95616 (916) 756-4558
Manufacturer of complete solar systems

Obelitz Industries, Incorporated, PO Box 2788
Seal Beach, CA 90740
Solar flat plate collector manufacturers

Optical Coating Lab, Incorporated, 2789 Giffen Avenue
Santa Roasa, CA 95401 (707) 545-6440
Manufacturer of silicon solar cells for space and terrestrial applications

Optical Science Group, 24 Tiburon Street
San Rafael, CA 94901
Manufacturer of acrylic fresnel lenses

Pessey Semiconductors, 1674 McGraw Avenue
Santa Ana, CA 92705
Manufacturer of silicon cells and solar energy converters using silicon cells in arrays

Piper Hydro, Incorporated, 2895 East La Palma
Anaheim, CA 92806 (714) 630-4040
Manufacturer of rigid frame, medium temperature collectors and suppliers of components and engineering for a solar-equipped apartment complex

Powell Brothers, Incorporated, 5903 Firestone Blvd.
South Gate, CA 90280
Manufacturer of rigid frame, medium temperature collectors

Radco Products, Incorporated, 3123 Skyway Drive
Santa Maria, CA 93454 (805) 925-8748
Manufactures solar collectors for pool, domestic, and space heating applications

Raypak, Incorporated, 3111 Agoura Road
Westlake Village, CA 91361
Manufacturer of rigid frame, medium temperature collectors and makers of double-glazed, sealed, insulated solar water heaters

Reynolds Metal Company, 2515 Dominguez
Torrence, CA 90501
Manufacturer of rigid frame, medium temperature collector

Rho Sigma, 15150 Raymer Street
Van Nuys, CA 91405 (213) 342-4367
Designs, manufactures, and sells a range of solar controls and sensors

Rho²Sigma Unlimited, 5108 Melvin Avenue
Tarzana, CA 91356
Thermostat that regulates solar water heaters and solar space heater systems

Roy R. Ferrier Company, 5737 Venice Blvd.
Los Angeles, CA 90019
Manufacturers of steam power components

SAV Solar Heater, 6313 Peach Street
Van Nuys, CA 91401
Involved in cylindrical collection used for space heating

Schultz Field Enterprises, 6986 La Jolla Blvd.
LaJolla, CA 92036
Manufacturer of rigid frame, medium temperature collector

Selective Radiation Surfaces, PO Box 8364
San Jose, CA 95155
Thin Films

Sensor Technology, Incorporated, 21012 Lassen Street
Chatsworth, CA 91311 (213) 882-4100
Manufacturer of solar panels and associated batteries for converting sunlight into electrical energy by photovoltaic processes

Skytherm Processes & Engineering Company
2424 Wilshire Boulevard
Los Angeles, CA 90057
Solar flat plate collector manufacturer, also has written articles on solar heating

Sol-Aire, 46 Las Cascadas
Orinda, CA 94563 (415) 254-2672
Manufacturer of solar systems

Solar Concepts, 15600 Rosehaven
Canyon Country, CA 91351
Plans for simple air heating collector systems

Solar Conversion Corporation of America
16260 Raymer Street
Van Nuys, CA 91406 (213) 989-4204
Solar collector manufacturer

Solar Energy Systems, Incorporated, 336C E. Carson Street
Carson, CA 90745
Deals with solar energy systems

Solar Energy Systems, Incorporated, 2492 Banyan Drive
Los Angeles, CA 90049 (213) 472-6508
Manufacturer of plastic solar collector restricted to applications of 160° F or less

Solar Harness Corporation see section 1

Solar-Physics Corporation see section 4

Solar Supply, Incorporated, 11404 Sorrento Valley Road
San Diego, CA 92121
Manufacturers of components

Solar Systems, Incorporated, PO Box 217
Pony Express Trail
Pollock Pines, CA 95726 (916) 644-2053
Manufacturer of solar furnaces

Solar Systems, Incorporated, 7456 Valjean Avenue
Van Nuys, CA 91406
Swimming pool and portable systems manufacturer

Solar Utilities Company, 11404 Sorrento Valley Road
San Diego, CA 92121
Solar water heaters

Solargenics, Incorporated, 9713 Lurline Avenue
Chatsworth, CA 91311
Manufacturer of solar collectors

Solarponics, Incorporated, PO Box 1571
San Luis Obispo, CA 93406 (805) 543-3436
Provides collector systems of high thermal efficiency

Solarsan, PO Box 17775
San Diego, CA 92112
Involved in flat-plate solar collection for a sandwich construction

Solarway, PO Box 217
Redwood Valley, CA 95470 (707) 485-7616
Solar water heater manufacturer

Solerg Association, PO Box 90691
Los Angeles, CA 90009
Manufacturer of medium temperature concentrators

Spectra Energy Systems, Incorporated
1210 Camino Rio Verde
Santa Barbara, CA 93111 (805) 964-5584
Manufacturer of flat-plate solar collector

Spectrolab Solar Power Systems, PO Box 4478
12434 Gladstone Avenue
Sylmar, CA 91342
Silicon solar cell arrays

Steam Power Systems, 7617 Convoy Court
San Diego, CA 92111 (714) 279-7570
Development of positive displacement rotary steam motor for solar-mechanical air conditioning or cooling

Suhay Enterprises, 7937 Beck Avenue
North Hollywood, CA 91605
Portable solar water heaters

Sundu Company, 3319 Keys Lane
Anaheim, CA 92804
Swimming pool and portable systems manufacturer

Suntech Research Associate, Incorporated
500 Tamal Vista Plaza, Suite 506
Corte Madera, CA 94925
Manufacturer of thermally blocking plastic film that greatly increases the efficiency of flat-plate collectors

Sunwater Company, 1466 Pioneer Way #6
El Cajon, CA 92020
Solar Collector manufacturer

TRW, Incorporated, 1 Space Park
Redondo Beach, CA 90278
Manufacturer, research, and development of solar power projects and battery powered vehicles

Transparent Products Corporation, 1727 W. Paco Blvd.
Los Angeles, CA 90015
Manufacturer of aluminized mylar

Unit Span Architectural Systems, Inc., 6606 Variel
Canoga Park, CA 91303
Involved in aluminum solar flat-plate collection

United States Solar Systems, Inc., PO Box 48695
Los Angeles, CA 90048
Manufacturer

Unitspan Architectural Systems, Incorporated
9419 Mason Avenue
Chatsworth, CA 91311
Solar collector manufacturer

Vanguard Energy Systems, PO Box 17207
San Diego, CA 92117 (714) 292-1433
Manufactures energy systems and heat pumps

Varian Associates, 611 Hansen Way
Palo Alto, CA 94303
Gallium-arsenide solar cells

Video Listings, 1050 Ralston Avenue #25
Belmont, CA 94002
Manufacturer of parabolic reflector

Western Energy, 454 Forest Avenue
Palo Alto, CA 94302
Manufacturer of solar collector panel

Westflex Manufacturing Company, PO Box 1009
Richmond, CA 94802 (415) 233-6670
Introduced a high-temperature polybutylene plastic tubing

Ying Manufacturing Corporation, 1957 W. 144 Street
Gardena, CA 90249 (213) 770-1756
Manufactures storage tanks and complete systems design

ZZ Corporation, 10806 Kaylor Street
Los Alamitors, CA 90720 (213) 598-3220
Manufacturer solar collectors-parabolic

COLORADO

Barber-Nichols Engineering Company, 6325 W. 55 Avenue
Arvada, CO 80002
Research and development of a sun-powered air conditioning system

Coffel, Steve see section 3

Enertech Corporation, Rt. 4, Box 409
Golden, CO 80401 (303) 642-3891
Produces a Sol-Sheet collector

Environmental Consulting Services see section 1

Future Systems, Incorporated, 12500 W. Cedar Drive
Lakewood, CO 80228 (303) 989-9431
Manufacturer of the Sun-Trac Solar Furnace, as well as other related solar products

General Industries, 2233 Moffett Drive
Ft. Collins, CO 80521
Solar flat-plate collector manufacturer

Johns-Manville Insulation Center, Drawer 17L
Denver, CO 80217 (303) 770-1000
Insulation materials manufacturer

Lof Brothers Solar Appliances, PO Box 10594
Denver, CO 80210 (303) 744-6852
Manufacturer of lightweight pool covers to solar heated swimming pools

Martin Marietta Aerospace Company, PO Box 179
Denver, CO 80201
Black optical coating for solar collectors

Materials Consultants, Incorporated
2150 South Josephine Street
Denver, CO 80202
Manufacturer of rigid frame, medium temperature collector

Plasticrafts, Incorporated, 2800 N. Speer Blvd.
Denver, CO 80211 (303) 433-8801
Manufacturers of Turrak Polycarbonate sheets

Raymond N. Auger & Company, Inc., Box 2841
Aspen, CO 81611 (303) 925-4698
Manufacturer of tracking panel which serves as a supporting surface for hot water or hot air flat-plate collectors or for mirror systems

Rocky Mountain Air Conditioning, 5010 Cook Street
Denver, CO 80216 (303) 825-0203
Manufacturer of a selective surface copper collector which operates with all air, all water, or a combination

Solar Systems, Incorporated, 12500 West Cedar Drive
Lakewood, CO 80228 (303) 969-0431
Manufacturer of solar furnace which collects energy from the sun, converts it to heat, stores it, and delivers it to your house as needed

CONNECTICUT

American Solar Heat Corporation, 7 National Place
Danbury, CT 06810 (203) 792-0077
Manufactures space heating systems, solar collectors, and differential thermostats

Center for the Environment & Man
Hartford, CT 06120
Solar powered desiccant air conditioning system

Ethone, Incorporated, PO Box 1900
West Haven, CT 06510
Manufacturer of rigid frame, medium temperature collector

Falbel Energy Systems Corporation, PO Box 6
Greenwich, CT 06830 (203) 357-0626
Manufacture and market collectors and accompanying systems-providing optical gains for a large range of angles for both direct and diffuse radiation

Falbel Energy Systems Corporation, 472 Westover Road
Stamford, CT 06902 (203) 357-0626
Manufacturer of solar collector which due to solar focusing system does not require moving parts or daily solar tracking

Hamilton Standard
Windsor Lock, CT 06096 (203) 565-4546
Produces Turbocompressor Air-Conditioning System

Innotech Corporation, 181 Main Street
Norwalk, CT 06851
Manufacturer of solar cells

National Solar Corporation see section 1

Noranda Metal Industries, Incorporated
French Tube Division, 108 Prospect Drive
Newtown, CT 06470 (203) 426-4431
Manufacturer of internally finned tubing produced in copper and aluminum alloys

Perkin-Elmer Corporation, Main Avenue
Norwalk, CT 06856
Developing black absorbing film for use in solar radiation collectors

Resource Technology Corporation, 151 John Downey Drive
New Britain, CT 06051 (203) 224-8155
Makers of a non-toxic, non-corrosive fluid for solar collectors

Solar Heating Systems Corporation
151 John Downey Drive
New Britain, CT 06051 (203) 224-2164
Manufacturer of leak-proof solar collector and distributor of complete solar heating and cooling system

Solar Industries, Incorporated, 100 Captain Neville Drive
Waterbury, CT 06705 (203) 753-1195
Manufacturer of collectors and designers of solar heating systems

Solar Kinetics Corporation, PO Box 17308
West Hartford, CT 06117 (203) 233-4461
Manufactures concentrating type collector, marketing and distributing nationally

Spiral Tubing Corporation, 533 John Downey Drive
New Britain, CT 06051
Manufacturer of solar collector components

Sunshine Energy Corporation, Route 25
Brookfield Center, CT 06805
Solar flat-plate collector manufacturer

Sunworks, Division of Ethone, Inc., Box 1004
New Haven, CT 06508
Collectors and systems for solar air conditioning

United Technologies
Windsor Locks, CT 06096 (203) 623-1621
Development of Ranking-cycle turbocompressor air-conditioning and heating system at temperature levels consistent with present day flat-plate solar collectors

Vast, Incorporated, Product Development Division
PO Box 121
Wethersfield, CT 06109
Manufacturer of differential temperature control system used to enhance the efficient extraction of heat from solar collectors

Wilson Solar Kinetics Corporation, PO Box 876
Hartford, CT 06101 (203) 633-7884
Manufacturer of solar heat collector

DELAWARE

Chemax Corporation, 211 River Road
New Castle, DE 19720
Manufacturers of several varieties of thermal cements

Hadley Solar Energy Company, Box 1456
Wilmington, DE 19899
Manufacturer of rigid frame, medium temperature collector

Solaroid, Incorporated, 51 Indian Road
Newark, DE 19711 (302) 738-2136
Manufacturer of permanently sealed container used also for heat exchange purposes

6A DE

Solarsystems, 323 Country Club Drive
Rehoboth Beach, DE 19971
Solar flat-plate collector manufacturer

DISTRICT OF COLUMBIA

Business & Technology, Inc., 2800 Upton Street NW
Washington, DC 20008 (202) 362-5991
Produces products that consist of custom-designed solar systems for heating buildings and service water

Community Technology, Inc., 1901 Q Street NW
Washington, DC 20009
Manufacturer of solar water heaters

FLORIDA

American Solar Power, 5018 West Grace Street
Tampa, FL 33607
Manufactures collectors and distributes complete water heating systems

Arms, Incorporated, PO Box EG 1503
Melbourne, FL 32935
Manufacturer of solar collector-flat-plate

Astro Solar Corporation, 457 Santa Ana Drive
Palm Springs, FL 33461
Manufactures absorbers

Aztec Solar Corporation, PO Box 272, 2031 Dyan Way
Maitland, FL 32751
Manufactures collectors and control equipment, distributes complete water heating systems

Aztec Solar Heating and Plumbing, PO Box 6754
Hollywood, FL 33021
Manufactures a photo cell solar collector control

Beutels Solar Heater Company, 7161 N.W. 74th Street
Miami, FL 33166
Manufactures collectors, distributes complete water heating systems

Bright Industries Sun Products, Inc.
1900 N.W. 1st Ct.
Boca Raton, FL 33432
Manufactures collectors, distributes complete water heating systems

C.S.I. Solar System Division, 12400 49th Street
Clearwater, FL 33520
Manufacturing of collectors, distributes complete water systems

Capital Solar Heating, Incorporated, 476 N.W. 25 St.
Miami, FL 33127
Manufacturer

Chemical Processors, Incorporated, PO Box 10636
St. Petersburg, FL 33733
Manufactures collectors, distributes control equipment

Chrysler Corporation see section 3

Consumer Energy Corporation, 4234 S.W. 75th Avenue
Miami, FL 33155
Manufactures collectors, distributes complete water heating systems

Cornell Research & Development Corporation
1441 E. Fletcher Avenue
Tampa, FL 33612
Manufactures waste heat recovery unit, and calence system heat pump

D & J Sheet Metal Company, 10055 NW 7th Avenue
Miami, FL 33150 (305) 757-7033
Solar flat-plate collector manufacturer

Del Sol Control Corporation, 11914 W.S. 1
Juno, FL 33408 (305) 626-6116
Manufacturers of solar systems and controls, distributor for Model 02A differential temperature control

Dick Mills, Incorporated, 15286 U.S. Hwy. 19 South
Clearwater, FL 33516
Manufactures collectors and control equipment. Distributes complete water heating systems.

D W Browning Contracting Company, 475 Carswell Avenue
Holly Hill, FL 32017
Manufactures collectors. Distributes complete water heating systems.

Economy Solar Controls, PO Box 294
Pinellas Park, FL 33565
Manufactures controls

ElectraSol Lab., Incorporated, 949 N. Pennsylvania Ave.
Winter Park, FL 32789
Manufacturer of solar panels for heating swimming pools, domestic hot water, and residential homes.

Energy Alternatives, Incorporated
1220 R South Main Street
Gainesville, FL 32601 (904) 372-5601
Manufacturer of complete solar energy systems for residential and commercial use including: solar hot water heating, solar home heating, solar swimming pool heating, and provisions for future solar air conditioning

Energy Applications, 830 Margie Drive
Titusville, FL 32780
Manufacturers of collectors and control equipment

Energy Systems of America, Inc., 55 S.W. 2nd Avenue 503
Boca Raton, FL 33432
Manufactures collectors

Falkner, Incorporated, PO Box 673
Orlando, FL 32802
Manufactures collectors. Distributes complete water heating systems.

Flagala Corporation see section 3

Florida Solar Power, Incorporated, PO Box 5846
Tallahassee, FL 32301
Manufactures collectors. Distributes complete water heating systems.

Friberg-Dekold Corporation, Box 12841
3860 SW Archer Road, H 3
Gainesville, FL 32604 (904) 372-6009
Manufacturer of differential thermostatic controls for use in hydronic or air solar heat collection systems

General Energy Devices, Incorporated, 2991 W. Bay Drive
Largo, FL 33540
Manufactures collectors. Distributes complete water heating systems

General Energy Devices, Incorporated, PO Box 5679
1753 Ensley Avenue
Clearwater, FL 33518 (813) 586-1142
Manufactures hot water heating systems, swimming pool heating systems, and space heating systems

Glass Tinters, Incorporated, 4155 N. Dixie Highway
Ft. Lauderdale, FL 33308
Tinted glass with aluminized polyesters

Gulf Thermal Corporation, 2215 Industrial Blvd.
PO Box 13124
Sarasota, FL 33580 (813) 355-9783
Flat-plate solar collector

Hughes Supply, Incorporated, Box 6128
Orlando, FL 32803
Manufactures collectors. Distributes complete water heating systems.

J & R Simmons Construction Company, Inc.
2185 Sherwood Drive
South Daytona, FL 32019
Manufactures collectors. Distributes complete water heating systems.

Johnson Diversified, Incorporated, 2340 Queen Ann Street
Merritt Island, FL 32952 (305) 452-5545
Manufacturer of solar water heating systems

Kinetics Corporation, 1121 Lewis Avenue
Sarasota, FL 33577
Designers and builders of a combination solar power plant and water heater

Lab Sciences, Incorporated, PO Box 1236
Boca Raton, FL 33432
Solar energy laboratory experimental units, sells instructional kits on solar energy, manufactures collectors, and distributes complete water heating systems

Mathews Systems, Incorporated, PO Box 1666
Gainesville, FL 32601
Manufactures collectors. Distributes complete water heating systems.

Miller Associates, 2605 N.W. 75th Avenue
Miami, FL 33122
Manufactures Thermosol

Mini-Markee, Incorporated, Natural Energy Systems Div.
13715 49 Street North
Clearwater, FL 33520 (813) 577-3995
Manufacturer of solar collector panel assembly, liquid type

Mr. Sun Solar Systems, PO Box 20652
Orlando, FL 32814
Makes solar heaters for domestic hot water

McDonald Window Sales & Service, 3003 NE 19 Drive
Gainesville, FL 32601 (904) 372-6009
Manufacturer of solar water heaters

OEM Products, Incorporated, Solarmatic Division
214 West Brandon Blvd.
Manufacturer of a solar collector

P R Distributors, 1232 Zacchini Avenue
Sarasota, FL 33577 (813) 958-5660
Manufacturer of solar water heaters

Pet Craft Assemblies, Solar Division, 430 Dayton Blvd.
Melbource, FL 32901

Manufacturer of rigid frame, medium temperature collectors

Semco, 1091 S.W. 1st Way
Deerfield Beach, FL 33441
Manufactures collectors and control equipment. Distributes complete water heating systems.

Ski Solar Development, Inc., 4180 Westroads Drive
West Palm Beach, FL 33407
Manufactures solar panels for heating domestic water

Solar Concentrators, Limited, 1113 28 Street NW
Winter Haven, FL 33880 (813) 293-0104
Developers of concentrating collector specifically designed to operate with liquids or gases

Solar Dynamics, Incorporated, 4527 E. 11th Avenue
Hialeah, FL 33013
Manufactures flat plate collectors and water heating systems

Solar Energy Components, Inc., 1605 N. Cocoa Blvd.
Cocoa, FL 32922
Manufactures collectors and control equipment

Solar Energy Products, Inc., 1208 N.W. 8th Avenue
Gainsville, FL 32601 (904) 377-6527
Manufacturers and suppliers of solar energy equipment

Solar Energy Resources Corporation
10639 SW 185 Terrace
Miami, FL 33157 (305) 233-0711
Manufacturer of three highly integrated, quality orientated, automated sub systems, solar collector system, absorption refrigeration system, automatically activated heat pump energy recovery system

Solar Energy Systems, 1243 South Florida Avenue
Rockledge, FL 32955 (305) 632-6251
Manufacturer of solar collector components and solar water heaters

Solar Engineering, Incorporated, PO Box 1358
Boca Raton, FL 33432
Manufactures collectors and control equipment

Solar Fins Systems, PO Box 215
Grant, FL 32949
Manufactures collectors. Distributes complete water heating systems.

Solar, Incorporated, Plastic Pipe & Fittings
206 Center Road
Fort Myers, FL 33901 (813) 936-7474
Solar water heater manufacturer

Solar Innovations, 412 Longfellow Blvd.
Lakeland, FL 33801
Manufactures collectors and control equipment

Solar Products, 1001 Laguna Drive
Venice, FL 33595
Manufacturer of solar collector

Solar Products, Incorporated, 614 N.W. 62nd Street
Miami, FL 33150 (305) 857-8700
Produces the Sun Tank which is a direct heating system

Solar Servants, 289 Tropical Shore Way
Fort Myers Beach, FL 33931 (813) 463-5016
Manufacturer of solar pool heating collectors panels and solar water heating system

Solar Systems Division, 12400 49 Street, North
St. Petersburg, FL 33732
Solar water heater and collector manufacturer

Solar Systems of Largo, 2525 Key Largo Lane
Fort Lauderdale, FL 33312
Solar water heater manufacturer

Solar Systems Manufacturing, Inc., PO Box 15727
West Palm Beach, FL 33406
Involved with solar energy in the area of manufacturing

Solar Water Heater Company, 9951 SW 38 Street
Miami, FL 33142 (305) 221-4611
Manufacturer of solar water heaters and plans for these heaters

Solarific Water Heating Company, 611 Ash Street
Fort St. Lucie, FL 33452
Manufacturer of solar heating units

Solarkit of Florida, 9210 Lazy Lane
Tampa, FL 33614
Manufactures collectors and control equipment.
Distributes complete water heating systems.

Solar-Pak Systems, PO Box 23585
Tampa, FL 33622
Plans for collectors to heat water and/or your house

Southern Lighting Manufacturing, 501 Elwell Avenue
Orlando, FL 32803 (305) 894-8851
Manufactures a flat plate collector, Universal 100

Space Age Service, Route 1, Box 260
Titusville, FL 32780
Manufactures collectors and control equipment

Stampco, Incorporated, 4549 St. Augustine Road #13
Jacksonville, FL 32207 (904) 737-6144
Solar water heater manufacturer

Standard Solar, 8846 S.W. 129th Street
Miami, FL 33176
Manufactures collectors and control equipment.
Distributes complete water heater systems.

Sun Power Systems, Incorporated, 1121 Lewis Avenue
Sarasota, FL 33577 (813) 366-3050
Manufacturer of 4000 watt system powered by solar panels, also sells freon cooling system

Sun Research, PO Box 16166
Jacksonville, FL 32216 (904) 641-2484
Manufacturer of non-toxic collector freeze protection system

Sunburst, Incorporated, 70 NW 94 Street
Miami Shores, FL 33150
Solar flat plate collector manufacturer

Sunseeker Systems, Incorporated see section 1

Superior H J Service, PO Box 706
Holly Hill, FL 32017
Manufactures collectors and storage systems. Distributes complete water heating systems.

Systems Technology, Incorporated, PO Box 337
Shalimar, FL 32579
Manufactures collectors. Distributes complete water heating systems.

Thermill Solar Systems, 156 N.W. 73rd Street
Miami, FL 33150
Manufactures collectors. Distributes complete water heating systems.

Unit Electric Control, Incorporated, 130 Atlantic Dr.
Maitland, FL 32751
Manufactures collectors. Distributes complete water heating systems.

United States Solar Systems, 376 N.W. 25th Street
Miami, FL 33127
Manufacturer and distributor of complete solar water heating systems

Universal Solar Aids, Incorporated, PO Box 731
FernPark, FL 32730
Manufactures collectors. Distributes complete water heating systems.

Universal Solar Energy Company, 1802 Madrid Avenue
Lake Worth, FL 33461
Manufacturer

Universal Solar Systems, Incorporated, 1424 NW 1st Ave.
Ocala, FL 32670
Solar hot water systems manufacturer

WHS Corporation, 511 Virginia Drive
Orlando, FL 32803
Solar energy collection modules and heating systems

Werner Industries, Incorporated, PO Box 1466
Eau Gallie, FL 32935
Manufactures collectors. Distributes complete water heating systems

Wilcon Corporation, Solar Energy Division
3310 SW 7 Street
Ocala, FL 32670
Manufacturer of rigid frame, medium temperature collectors, sells combination collector-and-storage tank for domestic hot water

Wilcox Manufacturing Corporation, 13375 U.S. 19 N.
Pinellas Park, FL 33565
Manufactures collectors

W R Robbins & Son, 1401 N.W. 20th Street
Miami, FL 33142
Manufactures collectors. Distributes complete water heating systems.

Youngblood Company, Inc., 1085 NW 36 Street
Miami, FL 33127 (305) 635-2501
Manufacturer of solar water heaters

GEORGIA

Independent Living, Inc. see section 3

MND, Incorporated, PO Box 15534
Atlanta, GA 30333
Manufacturers of solar water heaters using a copper Roll-Bond collector and double fiberglass glazing

National Solar Supply Company, 2331 Adams Drive NW
Atlanta, GA 30318
Manufacturer of complete solar system

Scientific-Atlanta, Incorporated, 3845 Pleasantdale Rd.
Atlanta, GA 30340
Manufacturer of solar collector system

Solar Technology, Incorporated, 5730 Holiday Road
Buford, GA 30518
Manufactures and sells solar components and systems

Southeastern Solar Systems, Inc., PO Box 281
Pine Lake, GA 30072
Solar heating and air conditioning, manufacturers of solar panels

Wallace Sheet Metal Works, 831 Dorsey Street
Gainesville, GA 30501
Manufacturer of solar collector panels

Whelchel Solar Enterprises, Incorporated
2050-C Carroll Avenue, Suite 2
Chamblee, GA 30341
Designs the Sunstream Model 50A and Model 50C solar collectors used for domestic hot water and space heating systems

HAWAII

Energy Conservation Corporation
4747 Kilauea Avenue, Suite 114
Honolulu, HI 96816 (808) 732-2403
Manufactures collector panels

Solar Enterprises of Hawaii, PO Box 27031
Honolulu, HI 96827
Manufactures and installs SolarSan TM solar water heater

Solaray Corporation, 2414 Makiki Heights Drive
Honolulu, HI 96822 (808) 533-6464
Manufacturer of solar collector panels

Sunsource Pacific, Incorporated, 501A Cooke Street
Honolulu, HI 96813
Manufacturer

IDAHO

A-Z Contracting, 321 East Center Street
Pocatello, ID 83201
Manufactures solar heaters for swimming pools

Champion Home Builders Company, PO Box 190
Weiser, ID 83672
Manufactures solar space heating systems

6A ID

Solar, Incorporated, 4706 Fairview Avenue
Boise, ID 83704
Manufacturer of solar equipment

ILLINOIS

Amcon, Incorporated, 211 West Willow
Carbondale, IL 62901 (618) 549-3948
Manufacturer of complete air system

A O Smith Corporation, Consumer Products Division
PO Box 28
Kankakee, IL 60901 (815) 933-8241
Manufactures solar hot water storage tanks and solar electric heaters

Bunker Ramo Corporation, 900 Commerce Drive
Oak Brook, IL 60521
Manufacturers of components

Chamberlain Manufacturing Corporation, 845 Larch Avenue
Elmhurst, IL 60126 (312) 279-3600
Manufacturer of flat plate solar collector panel

DeSoto, Incorporated, 1700 S. Mt. Prospect Road
Des Plaines, IL 60018 (312) 296-6611
Manufacturing components, and development, produces a product called Inersorb an extremely durable flat black non-selective solar absorbing coating

Enrico Fermi Institute, University of Chicago
5630 Ellis Avenue
Chicago, IL 60637
Solar flat-plate collectors

Gas Developments Corporation, 3424 South State Street
Chicago, IL 60616 (312) 567-3900
Manufacturer of system which provides perfectly conditioned circulating air for all seasons of the year

International Telephone & Telegraph Corporation
Fluid Handling Division, 4711 Golf Road
Skokie, IL 60076 (312) 677-4030
Manufacturer of solar collector panels

Johnson Controls, Inc., Penn Division
2221 Camden Court
Oak Brook, IL 60521 (312) 654-4900
Manufactures controls used in solar applications and controls for the complete system

McGraw-Edison Company, 333 West River Road
Elgin, IL 60120
Manufacturers of components

Olin Brass, Roll-Bond Products
East Alton, IL 62024 (618) 258-2443
Produces solar absorber plates of copper or aluminum for collector manufacturers, manufactures small components

Rheem Manufacturing Company, Water Heater Division
7600 South Kedzie Avenue
Chicago, IL 60652
Manufactures three sizes of hot water storage tanks for solar hot water systems

Shelley Radiant Ceiling Company, Inc.
8110 North St. Louis Avenue
Skokie, IL 60076 (312) 675-8899
Manufactures a collector plate made of aluminum

Solar Systems, Incorporated, 8124 North Central Park
Skokie, IL 60076
Silicon Solar Cells and Photo Cells

Sun Systems, Incorporated, PO Box 155
Eureka, IL 61530 (309) 685-9728
Manufactures solar panels and distributes them nation wide

Sun Systems, Incorporated, 4609 University Street
Peoria, IL 61614 (309) 685-9728
Designs and manufactures solar heating systems and components

Sundstrand Hydraulics, 2210 Harrison Avenue

Manufacturer of solar collector system components

MAINE

Bryant, Mike, Seaside Drive
Belfast, ME 04915
Manufactures and distributes Solar Comfort-Solar Furnace

Chapman, Fred A., Box 188 Mountainview Avenue
Kezar Falls, ME 04047
Manufactures and distributes Solar Comfort-Solar Furnace

Delage, Richard A., 459 Pool Road
Biddeford, ME 04005
Manufactures and distributes Solar Comfort-Solar Furnace

Farnum Associates, PO Box 437
Sewiston, ME 04240
Manufacturers and distributors of Solar Collectors

Labay, Roland M., 165 Maine Street
South Paris, ME 04281
Manufactures and distributes Solar Comfort-Solar Furnace

Maine Air Conditioning, Incorporated
Bangor, ME 04401
Manufactures and distributes Daystar Solar Collectors

Sheet Metal Design And Fabrication, Main Street
Monmouth, ME 04259
Solar Collectors for hot water heating

Yankee Resources, Potter Street
Brunswick, ME 04011
Manufactures and distributes Raypack Solar Collectors

MARYLAND

AAI Corporation, PO Box 6767
Baltimore, MD 21213 (301) 666-1400
Solar flat-plate collector manufacturers

American Solar Heating Company, 1400 Dennis Avenue
Silver Spring, MD 20902 (301) 649-4892
Flat plate collector-liquid type

Associated Enterprises, 2832 Montclair Drive
Ellicott City, MD 21043
Manufacturers of a solar furnace

Dynatherm Corporation, 1 Industry Lane
Cockeysville, MD 21030
Development of solar energy collector, space heating, and cooling system

Johns Hopkins University, Applied Physics Laboratory
Silver Spring, MD 20910
Developed a high temperature, high efficiency collector

KTA Corporation, 12300 Washington Avenue
Rockville, MD 20852
Manufactures a lightweight solar energy collector

Mark Beck Associates, Inc. see section 3

Martin-Marietta Corporation, PO Box 988
Baltimore, MD 21213
Developers of heat collectors, storage units, and wind power units

Solarex Corporation, 1335 Piccard Drive
Rockville, MD 20850
Developer and manufacturer of silicone cells for terrestrial applications

Westinghouse Electric Corporation
Box 1693 Mail Stop 999
Baltimore, MD 21203 (301) 765-3454
Manufacturer of large scale solar system for heating and cooling of buildings

MASSACHUSETTS

Arthur D. Little, Inc. see section 1

Rehoboth, MA 02769 (617) 252-4376
Manufacturer of solar domestic hot water systems

Boston College, 140 Commonwealth Avenue
Newton, MA 02158
V-shaped collectors for use at house windows

Cambridge-Lee Industries, Inc., 500 Lincoln Street
Boston, MA 02134
Solar supply market with commodity and special spec copper tubing, brass, copper, and aluminum sheets, copper and brass coils, and insulated tubing

Columbia Chase Solar Energy Division, 55 High Street
Holbrook, MA 02343 (617) 767-0513
Research and development of solar power, manufactures the Columbia Chase Redi-Mount Solar Collector and entire solar heating systems

Coppus Engineering Corporation, 341 Park Avenue
Worcester, MA 01610
Manufacturer of small steam turbo generators

Culin, Nembhard N. see section 1

Daystar Corporation, 20 Cambridge Street
Burlington, MA 01803 (617) 272-8460
Produces the Daystar 20 flat plate solar collector

Diy-Sol, Incorporated, PO Box 614
Marboro, MA 01752
Manufacturers of do it yourself solar heating equipment and sells air type collectors

Electrostatic Consulting Associates, PO Box 552
Groton, MA 01450 (617) 448-5485
Manufacturer of highly compact, high efficiency, dismantable, distributed temperature water heat storage system including thermostatic control system

Fern Engineering Company, Incorporated, PO Box M
Buzzards Bay, MA 02532 (617) 759-7529
Manufactures and sells air collector panels

Free Heat, PO Box 8934
Boston, MA 02114
Solar flat plate collector manufacturer

International Harvester Corporation, 50 Congress Street
Boston, MA 02116
Design for improved collectors

Itek Corporation, 10 Maguire Road
Lexington, MA 02117
Solar flat plate collector manufacturer

Kennecott Copper Corporation, Ledgemont Laboratory
128 Spring Street
Lexington, MA 02173
Developed flat-plate collector employing copper

Lifestan Corporation, 279 Cambridge Street
Burlington, MA 01803
Manufactures and distributors of solar collectors for swimming pools and domestic hot water

People/Space Company see section 1

Polyset, Incorporated, 10 Eaglehead Road
Manchester, MA 01944
Manufacturer of plastic tubing for solar water heaters

Solar Energy Company, PO Box 614
Marlboro, MA 01752
Plans and materials for a solar heating system

Solar Energy Products, Inc., 680 Central Street
Leominster, MA 01453
Sells combination collector and storage system

Solar Power Corporation, 186 Forbes Road
Braintree, MA 02184
Modular solar cell panels

Tyco Laboratories, 16 Hickory Drive
Waltham, MA 02154
Manufacturer of solar cells

Vaughn Corporation, 386 Elm Street
Salisbury, MA 01952
Makes solar collectors for swimming pools and houses

MICHIGAN

Champion Home Builders Company, Solar Division
5573 East North Street
Dryden, MI 48428 (313) 796-2211
Manufactures solar space heating systems

Dow Chemical USA, Functional Products and Systems
Midland, MI 48640
Manufacturer of solar energy storage components

Energy Development Associates, 1100 Whitcomb Avenue
Madison Heights, MI 48071
Manufacturer of zinc-chloride batteries

Environmental Energies, Inc., 21243 Grand River
Detroit, MI 48219 (313) 533-1985
Design, installation, and maintainance of complete integrated support systems, wind, solar, methane, and wood

Fun and Frolic, Incorporated, PO Box 277
Madison Heights, MI 48071
Solar collector systems using black plastic panels for heating pools

Guardian Industries Corporation, 43043 W. Nile Road
Northville, MI 48167
Tempered glass, flat plate glass

Mueller Brass Company
Port Huron, MI 48060
Manufactures solar heating components, fabricates copper tube to customer specifications

Ram Products, Box 340
Sturgis, MI 49091
Mirrors

Solar Research, 4993 Pitchpine Lane W
Ypsilanti, MI 48197
Manufacturer of heat exchangers for use with a liquid to liquid subsystem

Sow Corning Corporation
Midland, MI 48640 (517) 496-4947
Produces a fluid silicone heat transfer that doesn't freeze, boil, or corrode

Tranter Industries, 735 East Hazel Street
Lansing, MI 48909 (517) 372-8410
Designer and engineer of the Tranter absorber plates (high heat efficiency)

MINNESOTA

A-Z Solar Products, PO Box 22688
Minneapolis, MN 55422 (612) 537-3618
Manufactures and sells industrial components, experiment kits, plans, literature, and home products

Newton, NJ 07860
Hot air solar collector using double fiberglass glazing designed for a single family residence

Edmund Scientific Company, 605 Edscorp Building
Barrington, NJ 08007 (609) 547-3488
Solar furnaces, stills, batteries, cells, and panels as well as plans for model solar heated houses and full size solar houses

Edwards Engineering Corporation see section 1

Hamamatsu Corporation, 120 Wood Avenue
Middlesex, NJ 08846
Manufacturer of solar cells

Isothermics, PO Box 86
Augusta, NJ 07822 (201) 383-3500
Manufacturer of secondary heat recovery devices

SSP Associates, 704 Blue Hill Road
River Vale, NJ 07675 (201) 391-4724
Manufacturer of flat plate solar collector

Solar Energy Systems, Inc., One Olney Avenue
Cherry Hill, NJ 08003 (609) 424-4446
Distributes a flat-plate type modular panes for medium temperature liquid applications of solar heating

Solar Energy Systems, Inc., 9016 Collins Avenue
Pennsauken, NJ 08110
Manufacturer of Solarator hot water generators that can be utilized for domestic hot water, space heating, and air-conditioning systems

Solar Equipment Corporation, PO Box 327
Edison, NJ 08817
Manufacturer of absorber plates

Solar Master, 719 Haddon Avenue
Collingswood, NJ 08108 (609) 854-2960
Manufacturer of venetian blind for solar heating and a solar heater and thermal barrier

Sunvert Systems, Incorporated, Route 515 Box 288
Vernon, NJ 07462 (201) 764-4082
Manufacturer of solar flat plate collector utilizing liquid

Trolex Corporation, 725 Federal Avenue
Kenilworth, NJ 07033 (201) 245-3190
Manufacturer of control unit designed to control the flow of heating or cooling air through an Air Solar System using air type solar collectors with a solid rock type storage tank

NEW MEXICO

Albuquerque Western Industries, Incorporated
Albuquerque, NM 87107 (505) 344-7224
Manufacturer of solar heated homes using flat plate water type collectors

Design Systems, Incorporated, South Florida Avenue
Alamogordo, NM 88310
Solar component manufacturer

K-Line Corporation, 911 Pennsylvania Avenue NE
Albuquerque, NM 87110 (505) 268-3379
Manufacturing of complete solar space heating system utilizing heated air as the transfer medium

Metal Mart, Incorporated, 6139 Second Street NW
Albuquerque, NM 87107 (505) 345-3504
Manufacturer of a solar heat collector primarily for swimming pools

Neumark Company, Incorporated, Box 11188
Albuquerque, NM 87112 (505) 344-8088
Thermospray uses evaporative cooling of water to significantly reduce the solar load heat gain through a roof

Prado Verde Energy Systems see section 3

Solar Research, Box 11851
Albuquerque, NM 87112
Solar system design and manufacture

Soltrax, Incorporated, 1720 Rankin Road NE
Albuquerque, NM 87107
Solar component manufacture and distribution

United States Solar Pillow, 416 E. Oak Street
Tucomcari, NM 88401
Solar component manufacturer

West Wind Company, Box 83
Alcalde, NM 87511
Manufacturer of temperature differential switch

World Energy and Materials, Box 1041
Taos, NM 87571
Solar component manufacturer

Zomeworks, Incorporated, PO Box 712
Albuquerque, NM 87103 (505) 242-5354
Plans for solar heated homes, solar water heaters, sky lid sun shades, and space heating systems

NEW YORK

Advance Cooler Manufacturing Corporation
Clifton Park, NY 12065 (518) 371-3730
Manufactures energy collectors, solar energy retention systems, and cooling systems

American Metal Climax, 1270 Avenue of the Americas
New York, NY 10020
Manufacturer of components

Bausch and Lomb, Vacuum Coating Division
10 Champeney Terrace
Rochester, NY 14602 (716) 232-1181
Micro-thin heat reflecting and absorbing films applied to metal bases

Con Eidson Company of New York, Inc., Irving Place
New York, NY 10003
Solar researchers and medium temperature solar collection systems

Corning Glass Works
Corning, NY 14830
Manufacturers of a vacuum insulated cylindrical collector made of glass

Dean Products, Incorporated, 985 Dean Street
Brooklyn, NY 11238
Makes Panelcoil heat exchanger equipment

Dome East Corporation see section 3

Ford Products Corporation, Ford Products Road
Valley Cottage, NY 10989 (914) 358-8282
Builds stone and glass-lines electric and oil-fired domestic water heaters and hot water storage tanks, some specially designed for solar systems

Grumman Aerospace Corporation
Bethpage, NY 11714
Wind generators manufacturer, sells collectors

Grumman Energy Systems, Incorporated
4175 Veterans Memorial Highway
Ronkonkoma, NY 11779
Manufacturers of the Sunstream Solar Domestic Water Heating System

Hitachi America Ltd., 437 Madison Avenue
New York, NY 10022
Solar flat plate collector manufacturer

Interelectronics Corporation, 100 U.S. Highway 303
Congers, NY 10920
Manufacturers of components

International Environment Corporation, 129 Halstead Ave.
Mamaroneck, NY 10543 (914) 698-8130
Manufacturer of Solar-Therm solar collectors

Kennecut Copper, 161 East 42 Street
New York, NY 10017
Developers of improved heat collectors

Keystone Solar Energy, Inc., PO Box 818, East 11 St.
New York, NY 10003
Manufactures a flat-plate liquid type collector with a copper absorbing surface

Milton Ribeck, Incorporated, 20 East 35 Street
New York, NY 10016
Sells transparent plastic sheets

National Semiconductors, 33 Cornelia Street
Plattsburg, NY 12903
Manufacturer of silicon and copper solar cells

Niagara Blower Company, 405 Lexington Avenue
New York, NY 10017 (212) 697-6151
Manufacturer of solar refrigeration components

Northeastern Solar Energy Works
112 West 34 Street, Suite 916
New York, NY 10001 (212) 722-3746
Manufacturer of solar water heating system

Rotron, Incorporated, Hasbrouck Lane
Woodstock, NY 12498 (914) 679-2401
Designs and manufactures A-C electric motors, fans, blowers, compressors, and pumps for the electronic industry

Say Mill Plumbing & Heating Corporation
26 Nimitz Place
Yonkers, NY 10710
Introduces the Sunstream Solar Domestic Hot Water System

Solar Equipment Sales Company, PO Box 625
Scarsdale, NY 10583
Offers aluminum and copper solar collectors, single and double glaze available

Solar Sunstill, Incorporated
Setauket, NY 11733
Temperature sensitive coatings for both plastic and glass that control light transmission

Solar Utilization Systems, 2716 Marion Avenue 3G
Bronx, NY 10458 (212) 367-9529
Manufacturer of solar collector

Sol-Therm Corporation, 7 West 14 Street
New York, NY 10011
Solar water heater system which includes two solar collector panels, 32 gallon storage tank and thermostatically controlled electric heating element

Technidyne, Incorporated, 58-06 Place
Maspeth, NY 11378
R & D High Density Solar Panels for urban usage

NORTH CAROLINA

Diversified Solar Products/Engineering
285 South Stratford Road, Suite 207
Winston-Salem, NC 27103 (919) 724-6916

LO-K Medallion Systems, Incorporated, PO Box 188
Belmont, NC 28012 (919) 825-5357
Manufacturer of a solar air collector

Mid-Atlantic Solar Heating Systems, PO Box 3204
Durham, NC 27705
Manufacturers of solar heating systems

Warren O. Stiles, P.E. & Associates, PO Box 466
Wrightsville Beach, NC 28480 (919) 256-3778
Complete design, manufacturer, and installation of hot water, heat, and air conditioning systems

OHIO

Alpha Designs, Kroger Building, Suite 2230
Cincinnati, OH 45202 (513) 621-1243
Manufacturer of focusing parabolic collector, sun tracking with full seasonal adjustment

Armco Steel Corporation, PO Box 600
Middletown, OH 45042
Manufacturing, marketing, research, and development of various facets of the energy industry

Battelle Columbus Laboratories, 505 King Avenue
Columbus, OH 43201
Manufacturers of a rankine cycle heat pump which can double as an electric generator

Clevite Corporation, 540 East 105 Street
Cleveland, OH 44108
Manufacturer of solar cells

D-J Products, Box 2292
North Canton, OH 44720 (216) 494-4063
Manufacturer of collector panels for direct rays and for convergent rays

Gould Laboratories, Incorporated, 540 East 105 Street
Cleveland, OH 44108 (216) 851-5500
Manufacturer of heat pipes for heat extraction in solar energy collectors

Libbey-Owens-Ford Technical Center, 811 Madison Avenue
Toledo, OH 43695
Manufacturer of flat-plate glass coverings

Owens-Illinois, PO Box 1035
Toledo, OH 43666
Solar flat-plate collector manufacturer

Owens-Corning Fiberglass Corporation, Fiberglass Tower
Toledo, OH 43659
Manufacturer of components, sells cylindrical storage tanks employing fiberglass

Ranco, 601 West Fifth Avenue, Box 8187
Columbus, OH 43201 (614) 294-3511
Manufacturer of electronic control system to control the circulating pump and modulate flow valves for optimizing efficiency of solar collector system

Solar Central, 7213 Ridge Road
Mechanicsburg, OH 43044 (513) 322-2533
Manufacturer of liquid cooled solar collector of flat plate design

Solar Energy Development, Inc., 1437 Alameda Avenue
Lakewood, OH 44107
Solar flat plate collector manufacturer

Solar Energy Engineering, 22 Northgate Park
Mt. Gilead, OH 43338
Solar flat plate collector manufacturer

Solar Energy, Incorporated, 171 Belmar Blvd.
Avon Lake, OH 44012
Manufacturer of rigid frame, medium temperature collector

Solar Energy Products Company, 121 Miller Road
Avon Lake, OH 44012
Manufacturer of air-type collector used for crop drying

Solar Sun, Incorporated, 235 West 12th Street
Cincinnati, OH 45210 (513) 241-4200
Manufacturers of solar collectors

Stolle Corporation, 1501 Michigan Street
Sidney, OH 45365
Solar flat plate collector manufacturer

Strong Electric Corporation, 87 City Park Avenue
Toledo, OH 43602
Sells parabolic mirror

Sunpower, Incorporated, Route 4 Box 275
Athens, OH 45701
Manufacturers and designers of small solar water pumps

OKLAHOMA

Brown Manufacturing Company, PO Box 14546
Oklahoma City, OK 73114
Designs, engineers sun controls, shades and screens, Manufacturers of solar collectors

R H Siegfried, Incorporated, Nordam Division
510 South Lansing, PO Box 3365
Tulsa, OK 74120
Manufacturer of cylindrical parabolic concentrating solar collector

Tri-State Solar King, Incorporated, PO Box 503
Adams, OK 73901 (405) 253-6562
Manufacturers of the New Tri-State Solar King Collector

OREGON

Environmental Interfaces, Incorporated, 2795 Randi Lane
Salem, OR 97303 (503) 363-3313
Manufacturer of space heating and cooling system which also provides domestic hot water and swimming pool heating

Oregon Equipment Manufacturing, Inc., 165 E. Greenwood
Bend, OR 97701
Manufacturer of modular panels constructed of urethane foam and steel to be used for heat storage of solids, air, or liquid

PENNSYLVANIA

Allis Chalmers, Hydro Turbine Division, PO Box 712
York, PA 17405
Manufacturer of a variety of turbines, propellers, tube pumps

Aluminum Company of America, 1501 Alcoa Bldg.
Pittsburg, PA 15219 (412) 553-3185
Manufactures extrusions for framing members of solar panels designed to accommodate a broad variety of collector panels

Ametek, Incorporated, One Spring Avenue
Hatfield, PA 19440 (215) 248-4600
Manufacturer of solar collectors and design of entire solar systems

Armstrong Cork Company
Research and Development Center
Lancaster, PA 17604 (717) 397-0611
Manufacturers of cork insulation

Burnham Corporation, PO Box 1079
Lancaster, PA 17604 (717) 397-4701
Manufacturer of custom designed collector covers which are available in single and double pane construction and configured to meet customer's specifications

Consolidated Aluminum Corporation
700 East Godfrey Avenue
Philadelphia, PA 19104
Produces aluminum collector plates

Electro-Logic Fabricators, Box 1068
State College, PA 16801
Control system designed to provide all control functions required for air to solid storage systems

Eltra Corporation, C & D Batteries Division
3043 Walton Road
Plymouth Meeting, PA 19462 (215) 828-9000
Secondary lead-acid batteries and related power conversion and control equipment for solar energy storage systems

Enviropane, Incorporated, 350 N. Marshall Street
Lancaster, PA 17602
Manufacturer of solar collector

Franklin Institute Research Lab & Mech Nuclear
Engineering Department, 20th and Race Street
Philadelphia, PA 19103
Involved in space heating and cooling and energy systems

Heliotherm, Incorporated
Lenni, PA 19052 (215) 459-9030
Manufacturers of liquid flat plate solar collectors

International Environment Corporation
1400 Mill Creek Road
Gladwyne, PA 19035 (215) 642-3060
Manufacturer of solar collector subsystem

Living Under the Sun, 115 Millview Street
Uniontown, PA 15401 (412) 437-1435
Manufacturers of flat panel with insulation and backing in wood frame ducted to insulated rock storage space

PPG Industries, Incorporated, One Gateway Center
Pittsburgh, PA 15222 (412) 434-3555
Flat Plate Solar Collectors

Pennwalt Corporation, 900 First Avenue
King of Prussia, PA 19406 (215) 265-3200
Manufacturer of polyvinylidene fluoride film

Practical Solar Heating, 209 S. Delaware Drive, Rt. 611
Easton, PA 18042 (215) 252-6381
Manufactures a solar heater for heating press liquids, preheating domestic hot water, and space heating, sells solar starter kits

Rohm and Haas, Plastics Department, Independence Mall W
Philadelphia, PA 19105 (215) 992-6799
Manufacturer of type of plastic suitable for collector covers

Sea Solar Power, Incorporated, 2422 S. Queen Street
York, PA 17402 (717) 741-0884
Developed vapor turbines for a low temperative difference thermal heat source

Sensenich Corporation, PO Box 1168
Lancaster, PA 17604
Manufacturer of wooden propellers

Solar Manufacturing Company, 40 Conneaut Lake Road
Greenville, PA 16125 (412) 588-6400
Manufacturer of "A" frame solar furnace called Sunblazer which is self-contained and designed to set in the yard with a good southern exposure to collect, store, and distribute to the house heat from the sun

Solar Power, Incorporated, Box 36
Reading, PA 19603
Manufactures the I.S.C. Solar Furnace

Sun Earth Construction Company see section 3

Sunearth Construction Company, RD 1 Box 337
Green Lane, PA 18054
Manufacturer of solar collector

6A PA

Sunwall, Incorporated, PO Box 9723
Pittsburgh, PA 15229
Manufacturing whole systems and manufacturing collectors

York Division, Borg Warner Corporation, PO Box 1592
York, PA 17405
Manufactures absorption water chillers

RHODE ISLAND

Amtrol, Incorporated, 1400 Division Road
West Warwick, RI 02893
Manufactures solar heating components and accessories

Megatherm Corporation, 803 Taunton Avenue, PO Box 4172
East Providence, RI 02914
Solar heat storage systems, solar energy research

Solar Homes, Incorporated, 2 Narragansett Avenue
Jamestown, RI 02835 (401) 423-1025
Engaged in designing, testing, and manufacturing systems for solar space and water heating

Textron, Incorporated, Spectrol Laboratory Division
40 Westminster
Providence, RI 02903
Solar power units for communication systems

Vulcan Solar Industries, Inc., 200 Conant Street
Pawtucket, RI 02860 (401) 725-6061
Manufacturer of medium temperature flat plate solar collectors

SOUTH DAKOTA

Solar Stor, Incorporated, Energy From the Sun
Parker, SD 57053 (605) 297-4446
Manufacturer of complete solar systems

TENNESSEE

Automated Industries, Incorporated
PO Box 403, Scarboro Road
Oak Ridge, TN 37830 (615) 482-4627
Manufactures solar collectors

Cumberland General Store, Route 3 Box 479
Crossville, TN 38555
Small hydroelectric plants and hydraulic rams

Environment Designs, Division of Steelcraft Corporation
2700 Jackson Avenue
Memphis, TN 38112 (901) 324-2151
Solar flat plate collector manufacturer

Oak Ridge Engineering & Associates
110 Peach Road, PO Box 3016
Oak Ridge, TN 37830 (615) 483-5153
Manufacturer of a full size solar radiation collector and concentrator

Smith Seckman Reid, Incorporated, 2135 Blakemore Ave.
Nashville, TN 37212 (615) 383-1113
Design and installation of a water type solar system

Solarcraft
Ashland City, TN 37015
Manufacturer

Steelcraft Corporation, 2700 Jackson Ave., PO Box 12408
Memphis, TN 38112 (901) 452-5200
Manufactures and sells the Steelcraft solar energy collector

W L Jackson Manufacturing Company, Incorporated
PO Box 11168
Chatanooga, TN 37401 (615) 867-4700
Manufacturer of solar hot water storage tanks

TEXAS

American Solar King Corporation
6801 New McGregor Highway
Waco, TX 76710 (817) 776-3860
Manufactures residential and commercial hot water systems

Cole Solar Systems, Incorporated, 440A East Elm Road
Austin, TX 78745 (512) 444-2565
Produces a solar water heater

Energy Dynamics, 3804 Marquis
Garland, TX 75042 (214) 494-1616
Manufacturers of Solar Pool Heating Systems

Friedrich Air Conditioning & Refrigeration Company
4200 North Pan Am Expressway
San Antonio, TX 78295 (512) 225-2000
Manufacturer of water to air heat pump with self-contained blowers for ducted or direct air distribution to the conditioned space

Helter-Skelter Engineering, 7212 Avenue N
Galveston, TX 77550
Manufacturer of inexpensive flat plate collectors and heat storage units

Hutchison, J., 147 Parkhouse
Dallas, TX 75207 (214) 747-6519
Focusing lenior parabolic solar collector

Jamak, Incorporated, 1401 North Bowie Drive
Weatherford, TX 67086 (817) 594-8771
Manufacturers of Silicone Rubber Seals

Northrup, Incorporated, 302 Nichols Drive
Hutchins, TX 75141 (214) 225-4291
Manufactures and distributes solar collector, equipment, hydronic fan coil units, expansion air conditioning and electric heating equipment

Q-Dot Corporation, 151 Regal Row, Suite 220
Dallas, TX 75247
Manufactures a counterflow air-to-air heat exchanger

Rothe Development Corporation, 4614 Sinclair Road
San Antonio, TX 78222 (512) 648-3131
Manufacturer of solar energy augmenter systems

Solar Enterprises, Incorporated, 2816 West Division
Arlington, TX 76012 (817) 461-5571
Manufactures solar collectors

Solar Heating & Air Conditioning Company
1800 Plaza, NE Loop 410
San Antonio, TX 78217 (512) 828-6251
Manufacturer of flat plate collector with special double vanes

Solar Kinetics, Incorporated, 147 Parkhouse Street
PO Box 10764
Dallas, TX 75207
Manufacturer of high temperature solar energy systems

Solarsystems, Incorporated, 507 West Elm
Tyler, TX 75701 (214) 592-5343
A patented Vacuum absorber plate for a collector enabling it to use more than one cover

Soltex Corporation, Box 55703
Houston, TX 77055
Collectors and systems for solar air conditioning

Sol Tex Corporation, PO Box 1124
Houston, TX 77001 (713) 236-0686
Manufacturer of modular unit for general solar energy application such as domestic water heating and house heating in the Southwestern parts of the United States

Solus, Incorporated, PO Box 35227
Houston, TX 77035 (713) 681-1224
Manufacturer of solar collector

Thermon Manufacturing Company, PO Box 609
San Marcos, TX 78666
Manufacturers of thermal cement and heat sheets (plate heat exchangers)

VERMONT

Garden Way Laboratories, PO Box 66
Charlotte, VT 05445 (802) 425-2147
Markets the Sol-R-Tech flat plate collector

VIRGINIA

Aretech Corporation, 2816 Fallfax Drive
Falls Church, VA 22042 (703) 560-3292
Manufacturer of thermal energy storage units employing phase change materials compatible with solar collectors, evaporation air conditioners or heat pumps

Atlantic Solar Products, Incorporated
11800 Sunrise Valley Drive, Suite 227
Reston, VA 22091
Complete heating systems of potable water and swimming pools

Doowiki Enterprises, PO Box 5365
Charlottesville, VA 22903 (804) 973-5786
Developer and producer of the thermo-hydraulic flat plate solar collector

Hankins and Anerson, Incorporated, PO Box 6872
Richmond, VA 23230 (804) 343-1221
Solar-HVAC system design

InterTechnology Corporation, Box 340
Warrenton, VA 22186 (703) 347-7900
Specializing in solar low temperature photothermal and photosynthesis energy conversion, design and fabrication of complete systems

Mitre Corporation, Westgate Research Park
McLean, VA 22101
Manufacturers of components

Robertshaw Controls Company, 1701 Byrd Avenue
Richmond, VA 23261 (804) 282-9561
Manufacturer and installer of pneumatic, electronic and computer control systems for environmental control of large buildings and campus type groups of buildings

Science Application, Incorporated
McLean, VA 22101
Manufacturer of solar furnace operation

Scovel, J.S., 4220 Berritt Street
Fairfax, VA 22030
Solar heating pump control devices

Sikar American, 106 Sherwood Drive
Williamsburg, VA 23185 (804) 229-0657
Produces the solar american solar energy collector that is a modular, flat plate collector

Solar Corporation of America, 100 Main Street
Warrenton, VA 22186 (703) 347-7900
Offers a high technology solar collector

Solar Energy Company, PO Box 649
Gloucester Pt., VA 23062
Manufacturer of solar heating modules which can be used alone or with solar heating assemblies of varying capacity

WASHINGTON

E & K Service Company, 16824 74 Avenue NE
Bothell, WA 98011
Solar flat plate collector manufacturer

Ecotope Group, 747 16th Avenue
Seattle, WA 98112
Manufacturer of solar hot water heaters

Glasteel, 22000 West Emerson Place
Seattle, WA 98199
Manufacturers of fiber reinforced plastic panels

Mann-Russell Electronics, Inc., 1401 Thorne Road
Tacoma, WA 98421 (206) 383-1591
Manufacturer of a solid state solar heliostat

Ray Industries, Incorporated, 403 Howell Way
Edmonds, WA 98020 (206) 776-3186
Manufacturer of differential temperature detector controller

Sun-Power Industries, 10837 SE200
Kent, WA 98031
Solar collector-air heater/cooler

Sunstop Northwest, 1909 15 West
Seattle, WA 98119
Heat reflective liquid plastic coating applied to glass to reduce radiant heat transmission and glare

Vertrex Industries, 208 Carlson Building, 808 106 NE
Bellevue, WA 98004
Manufacturer of control product which offers energy and cost savings in the control of building heating systems

WISCONSIN

Solar Systems, Incorporated, 1500 Durand Avenue
Racine, WI 53403
Manufacturer of solar storage system

Sun Unlimited Research Corporation see section 1

Windworks, Box 329 Rt. 3
Mukwonago, WI 53149 (414) 363-4408
Manufacturing components, research development and wind

WYOMING

Origin, Incorporated, Box SR9
Jackson, WY 83001
Solar collectors and heat storage equipment

SECTION 6B MANUFACTURING SMALL PRODUCTS

****

ARIZONA

Arizona Sun Control, Inc., 3526 E. McDowell Road
Phoenix, AZ 85008 (602) 273-7636
Solar-X Reflective Film manufacturers

Cohaco Building Specialties, 5348 W. Luke Avenue
Glendale, AZ 85301 (602) 931-7476
Manufactures of Koolshade Solar Screens

Hughes-Calihan Corporation, 4730 North 16 Street
Phoenix, AZ 85016 (602) 264-9631
Polyester insulating film for glass windows

Johnson, Richard, 433 Sugarloaf Drive
Sedona, AZ 86336
Manufacturers of Solar Ovens

Motorola, Incorporated, 8201 E. McDowell Road
Scottsdale, AZ 85257
Works on aspects of solar energy, including solar heating and selective black surfaces

OHM Research Products, Incorporated, 4222 N. 39 Ave.
Phoenix, AZ 85019 (602) 272-0217
Involved in Solar Roof Coating

Powerlift Pool Cover Corporation
4700 North Central Avenue, Suite 304
Phoenix, AZ 85012 (602) 279-9105
Manufacturer of hydraulic pool cover which increases the pool temperature

Reflecto-Shield, 12216 North 65th Place
Scottsdale, AZ 85254 (602) 948-4655
Involved in aluminized polyester reflecting film

Reflecto Shield of Tucson, 2427 North Alvernon
Tucson, AZ 85712 (602) 881-4590
Manufactures of Aluminized Polyester Reflecting film

Romanoski Glass & Mirror Company, Inc., PO Box 27006
Tucson, AZ 85726 (602) 748-0500
Manufactures of Koolshade Solar Screens

Ruscher, Fred, 6548 North 59th Avenue
Glendale, AZ 85301 (602) 937-0013
Involved in manufacturing of solar ovens

Sedona Solar Shop, PO Box 3072
W. Sedona, AZ 86340 (602) 282-5506
Manufacturing and sales of solar cookers

Solar Control, 3841 West Hatcher Avenue
Phoenix, AZ 85021 (602) 973-4622
Manufacturers representative: mylar insulating film capable of cutting radiant heat transmittance

Solar Cool Products, 4650 North 12th Street
Phoenix, AZ 85014 (602) 266-7107
Manufactures of Sun Control Film and Screens

Sun-Gard Corporation, 7244 E. Indian School Road
Scottsdale, AZ 85251 (602) 994-1192
Reflecto Shield Reflective Film

CALIFORNIA

Allied Fabricators, Incorporated, 1254 Thomas Avenue
San Francisco, CA 94124 (415) 822-4577
Manufacturers of Aluminum Building Products

Catel Solar Circles, 235 West Maple
Monrovia, CA 91016 (213) 359-2593
Solar circles (transfer heat from the sun to water)

Colver Solar Corporation, 1121 East Colorado Street
Glendale, CA 91205
Manufacturer of solar powered "Fun From The Sun Toys"

Davis Instruments, 857 Thorton Street
San Leandro, CA 94577
Manufacturer of solar cooker

FABCO, Sun-X, 809 East 18 Street
Los Angeles, CA 90021 (213) 749-5244
Reflective tinting film for glass

Kaempen Industries, Incorporated, 3202 Lodestone Drive
Orange, CA 92668
Proprosed a chimney to supply water and power for the Southwest

KoolShade Corporation, 722 Genevieve Street, Box 210
Solana Beach, CA 92075
Manufacturer of external minature louvered solar screens

L M Dearing Associates, Incorporated
1234 Ventura Blvd., PO Box 1744
Studio City, CA 91604 (213) 769-2521
Manufacturer of Solar Pool Blanket which transmits solar energy into the pool water converting the pool into a large solar heater

MacBall Industries, 3040 Market Street
Oakland, CA 94608 (415) 658-2228
Manufacturers of a floatation pool blanket

Physical Industries, PO Box 357
Lakeside, CA 92040
Solar energy experimenter's kits: oven, grill, swimming pool heater, house heater, house cooler, water heater, as well as many others

Redwood Domes
Aptos, CA 95003 (408) 427-1146
Manufacturer of geodesic designed Redwood Dome Greenhouses

Sol-Air Energyware, PO Box 3338
Santa Monica, CA 90403
Manufacturer of small solar cookers

Solar Research Systems, 3001 Red Hill Avenue
Costa Mesa, CA 92626 (714) 545-4941
Introduced a black plastic solar pool heater

Solarpaque International, Inc., 809 East 18th Street
Los Angeles, CA 90021 (213) 740-5117
Window Tinting

Spectrotherm Corporation, 3040 Olcott Street
Santa Clara, CA 95051
Sells far-infrared image-making "Electronic Camera" for use in determining hot regions of a building exterior

Stanford Resources, PO Box 20324

Turbon Engineering PTY Limited, Birubi Street
Coorparoo, Queensland 4151 Australia
Solar water heaters for home use

University of Queensland
Department of Mechanical Engineering
St. Lucia, Queensland, 4067 Australia
Research and development of solar energy along with the publication of "Solar Energy Notes"

Williams & Company PTY Limited
PO Box 22, Williams Parade
Dulwich, New South Wales 2203 Australia
Wind powered pumping systems

BURMA

Union of Burma Applied Research Institute, Kanbe
Yankin PO Rangoon, Burma
Design and construction of solar coolers, salt evaporation devices, water heaters, and the use of solar reflectors in salt fish production

CANADA

Brace Research Institute, MacDonald College of
McGill University, Ste. Anne De Bellevue
Publisher of solar energy books

Canadian Solar Energy Society, PO Box 1353
Winnipeg, Manitoba Canada R3C2Z1
Association involved with research

Dominion Aluminum Fabricating, 136 The East Mall
Toronto, Ontario Canada
Manufacturer of towers

Down to Earth Festival, R.R. #3, Guelph
Ontario Canada N1H 6H9
Sponsors exhibits

ECO Motor Limited, Box 934
Guelph, Ontario Canada N1H 6M6
Sells a hot-air stirling model engine

Hoflar Industries, 5511 128 Street
Surrey, British Columbia Canada
Design and construction of solar heated houses and swimming pools

McDonald College, Box 900, Ste. Anne de Bellevue 800
Quebec Canada H9X3MI
Numerous research projects dealing with solar heat and wind power from which have come many publications and reports as well as the design and construction of wind and solar power equipment

McGill University, Cival Engineering Department
Montreal P.Q. Canada
Involved in solar research

Ontario Department of Energy, Mines, & Resources
580 Booth A, Room 1201
Ottawa, Ontario Canada
Government agency involved with education, research, and development in the field of solar energy

Pumps and Power Limited, PO Box 2048
Vancouver 6, British Columbia Canada
Manufacturer of Pelton water wheels

Solar Energy Society of Canada, Inc., PO Box 1353
Winnepeg, Manitoba, Canada R3C 271 (204) 888-3280
Sponsor of conferences

Solcan Ltd, 126 Wychwood Park
London, Canada (519) 471-4069
Currently developing an "off-the-shelf" collector, and a solar domestic hot water heater

CHILE

Universidad Tecnica Federico, Solar Energy Laboratory
Santa Maria, Valparaiso Chile
Education, research, and development of the field of solar energy

DENMARK

International Solar Power Company, 22B Rosenkaeret
DK 2860 Soborg, Denmark
Manufacturer of water heating units

EGYPT

Alexandria University, Faculty of Engineering
Hadarah, Alexandria Egypt
Research and development of solar sea water distillation

ENGLAND

Alcan Booth Industries Limited
Banbury, Oxfordshire OX167SN England
Rolled sheet and plate aluminum and extruded aluminum sections

ERA, Cleeve Road
Leatherhead Surrey KT22 7SA England
Windpower and heat pump involvement

Low Impact Technology, 73 Molesworth Street
Wadebridge, Cornwall England
Solar water heating systems and solar collectors

MB Engine Company, Watlington
King's Lynn, Norfolk PE330JB England
A small solar steam engine in kit or finished form called the swedish Eskader

International Solar Energy Society, U.K. Section
The Royal Institution, 21 Albemarle Street
London, W1X 4BS England
Publisher of magazine and books pertaining to solar energy

Secretariat International Solar Building Technology Conference, NE London Polytechnic, Forest Road
London E17 4JB England
A debating conference on the exploitation of solar energy on a general basis

Solacyl Company, Wyvern House, Anchor Road
Bristol BS 1 5TT England
Solar collector manufacturer

Solar Centre, 176 Ifield Road
Chelsea, London SW 10 9AF England
Solar collector manufacturer

Solar Heat Limited, 99 Middleton Road, Kings Norton
Birmingham B30 1AG England
Solar water heaters and plans for solar water heaters

University of Cambridge, 1 Scroope Terrace
Cambridge CB2 1PX England
An experimental autonomous dwelling laboratory with a solar heated, wind powered house along with numerous publications

FRANCE

Aerowatt, SA-37, rue Chanzy
75011 Paris, France
Wind driven electric generators

Enag, S. A., De Pont L'Abbe 295
Quimper, France
Manufacturing windmills from 250 W to 2KW

UNESCO, 7 Place de Fontenoy
75 Paris 7e, France
Research in solar and wind power applications

GREECE

Metalco
Nicosia Cyprus, Greece
Manufacturer of solar collector systems

INDIA

Devidayal Metal Industries Limited, Gupta Mills Estate
Darukhana, Bombay 10 India
Solar Cookers

Kaira Dist. Co-Operative Milk, Producers' Union Limited
Anand 388001 (Dist Kaira) India
Designs and fabricates solar water heaters

The International Press Cutting Service, Post Box 63
Allahabad-211001 India
Publisher of newsletter, Weekly Energy, Ecology, Pollution Report

ISRAEL

A. G. Publications Ltd., P.O.B. 8100
Jerusalem 91080
Publishers of Innovation, a monthly report on industrial research and development and science based industry in Israel

Amcor Export Company Limited, PO Box 2850
98 Giborei Israel Street
Tel-Aviv, Israel
Solar water heater and storage tanks heating to 60° C-65° C with auxiliary electrical heating

Askelon Metal Products Limited
Tel Aviv, Israel
Manufacturer of solar hot water heaters

Miromit Limited, 44 Montefort Street
Tel Aviv, Israel
Manufacturer of solar hot water heaters for residential and commercial uses

Terrum Sun & Electric Boiler Industry, 14 Hayotzer Holdn
Tel Aviv, Israel
Manufacturer of solar water heating equipment

ITALY

Domenico Sperando, Via Cimarosa 13-21
Follonica, Itlay
Solar electric power generation

European Economic Community, Joint Research Center
Ispia, Italy
Government agency which sponsors a solar power program

JAPAN

Government Industrial Research Institute
Solar Research Laboratory, Hirate-machi, Kita-ku
Nagoya, Japan
Design and construction of solar furnace and house heating and cooling systems

Hayakawa Electronic, Nar Plant
Yamato-koriyama Nara, Japan
Manufacturer of solar cells

Hitachi Chemical Company, Limited, 4 1-Chrome
Marunouchi, Chiyoda-ku
Tokyo, Japan 100
Manufacturer of solar water heaters and solar collectors

Sekisui Kayaku Kogiyo Company, 2 Kinugasa Machi
Osaka, Japan
Manufacturer of solar water heating equipment

Tokiwa Optic and Electric Manufactory
2-9 Ichome Koyamadai
Shinagawa-Ku Tokyo, Japan 03-712-6212
Manufacturer of parabolas and solar heating and cooling apparatus

Yup Company, Limited, 1-10-3, Jujonakahara
Kita-ku Tokyo, Japan
Manufacturer of fresnel lenses

MOROCCO

Radisol, S. A., 31 Boulevard Danton
Casablanco, Morocco
Manufacturer of solar water heating equipment

NETHERLANDS

Phillips Research, PO Box 523
Eindhoven, Netherlands
Solar-powered water pumps as well as research of the field itself

NEW ZEALAND

Monorail Chairlift Limited, Solar Equipment Division
PO Box 10368
Wellington, New Zealand
Solar water heating system using a high speed cylindrical method

Stephen A. Vincze, PO Box 10-368, Paragon Chambers
Lambton Quay, Wellington, CI New Zealand
Solar water heaters and solar energy technical consultant

PAKISTAN

Pakistan Atomic Energy Center
Lahore, Pakistan
Government agency involved with the research and development of solar energy

PUERTO RICO

Solar Products, Incorporated, PO Box S-2883
Sabana Abajo No. 2 Carolina
San Juan, Puerto Rico 00903 768-7425
Manufacturer of solar water heater

SOUTH AFRICA

Council for Scientific & Industrial Research (CSIR)
PO Box 395
Pretoria, 0001, South Africa
Research and development of the field of solar energy and the publication of the findings

SOVIET UNION

Institute for Farm Electrification, 1U Veshniakovski
Dom 2 Moscow, USSR
Solar electric power generation

SPAIN

Rayosol, Carretera de Cadiz, 32 Torrmolinos
Malaga, Spain
Solar collector manufacturer

SWITZERLAND

Elektro Gamble, Winturthur
St. Gallerstrasse 27, Switzerland
Manufacturer of wind generator equipment

Officine Buehler, Taverne, Canton Tierno
Switzerland
Manufacturer of many types of small water turbines

Patek Phillippe Company, Advance Research Division
41 rue du Rhone
Geneva, Switzerland
Development of solar-powered time pieces

Schoenball, Walter, 45 Ch M Duboule, CH-1211
Geneva 19, Switzerland
Solar electric power generation

Spilling Energieanlagen, CH-5610 Wohlen-Schweiz
Switzerland
Manufacturer of a steam motor

TAIWAN

Repair Works, Taiwan Power Company, 61 Yah Cheng St.
Naw-kong, Taipei, Taiwan
Manufacturer of wind generator blades

TURKEY

Solar Energy Institute of Turkey, PO Box 37 Bakanliklar
Ankara, Turkey 234-255-378
Research and manufacturing of terrestial thermal
collector systems

UNITED ARAB REPUBLIC

National Research Center, Solar Energy Department
Dakkd, Cairo, UAR
Government agency involved with the research and
development of the field of solar energy

UNITED KINGDOM

Air Distributors Equipment
Cardiff, Wales United Kingdom
Manufacturer of solar collector

Drake and Fletcher
Maidstone, Kent United Kingdom
Manufacturer of flat plate collector

Edinburgh University
United Kingdom
Research concerning the use of water power

Green and Carter Limited, Vulcan Iron Works
Kingsworthy, Winchester
Hampshire United Kingdom
Vulcan hydraulic ram

International Research and Development
Newcastle-upon-Tyne United Kingdom
Manufacturer of solar cells

Power Resources, Shoreham Airport
Sussex, United Kingdom
Manufacturer of solar collectors

WEST GERMANY

Bening-Lubing Maschinenfabrik, 2847 Barnstorf
Postfach 110, West Germany 054-42625
Wind generators for charging DC storage batteries

J. H. Dannies, Goebenstrasse 31
Bonn, West Germany
Design and construction of solar air-conditioning and refrigeration equipment

Ossberger-Turbinen Fabrik, D8832 Weissenburg
Bavaria, West Germany
Manufacturer of turbines

Spilling Energieanlagen
D-200 Hamburg 11, West Germany
Manufacturer of a steam motor
